The Community Benefit Societies (Restriction
on Use of Assets) Regulations 2006

PART 4

Enforcement measures

Enforcement notification

9.—(1) If the Authority considers that a prescribed community benefit society is contravening or has contravened regulation 3, it may issue an enforcement notification.

(2) An enforcement notification is a notification which imposes requirements on a society to take all such steps as may be necessary for securing that a contravention is brought to an end or is not repeated.
