**2006 No. 2917**

**The Royal Marines Terms of Service Regulations 2006**

**Right to transfer to the reserve**

5. A person who consents in writing to be restricted in the exercise of the right conferred by regulation 4 to give 12 months' notice of his desire to be transferred to the reserve, in consideration of being permitted to undergo a course of instruction or receiving any other benefit or advantage, shall not exercise such right before the expiration of the period specified in such consent.
