

SCHEDULE 6

General provision about searches and search reports

PART 1

All search reports (other than official search certificate of the local land charges register)

Additional search information

2. A search report complying with this Part may contain or be accompanied by documents containing all or any of the following information—

- (a) information which identifies the search or the search report;
- (b) information which explains the results of the search, the search report or the enquiries or matters to which the results of the search relate; and
- (c) information which identifies services or features local to the property, but not including any advertising or marketing information about them.
