The Electricity (Offshore Generating Stations)
(Safety Zones) (Application Procedures
and Control of Access) Regulations 2007

PART 2

SAFETY ZONE APPLICATION PROCEDURES

Publication of notice of a public inquiry

7. Where a public inquiry is to be held in respect of an application and the applicant publishes notice of this pursuant to paragraph 6(2)(b) of Schedule 16—

- (a) the notice shall be publicised within the same area within which the local newspapers used to publicise the notice of application under regulation 4(1) circulate; and
- (b) the place where a copy of the application for a safety zone, and of the map referred to in it, can be inspected shall be at an address accessible during normal office hours to members of the public likely to be affected by the application.
