	(c) Reduced awareness of the risks of everyday hazards has led or would lead to frequent instances of or to near-avoidance of:	6
	(i) injury to self or others; or	
	(ii) significant damage to property or possessions,	
	but not to such an extent that overall day to day life cannot be managed when such incidents occur.	
	(d) None of the above apply.	0
14. Memory and concentration.	14 (a) On a daily basis, forgets or loses concentration to such an extent that overall day to day life cannot be successfully managed without receiving verbal prompting, given by someone else in the claimant's presence.	15
	(b) For the majority of the time, forgets or loses concentration to such an extent that overall day to day life cannot be successfully managed without receiving verbal prompting, given by someone else in the claimant's presence.	9
	(c) Frequently forgets or loses concentration to such an extent that overall day to day life can only be successfully managed with pre-planning, such as making a daily written list of all tasks forming part of daily life that are to be completed.	6
	(d) None of the above apply.	0
15. Execution of tasks.	15 (a) Is unable to successfully complete any everyday task.	15
	(b) Takes more than twice the length of time it would take a person without any form of mental disablement, to successfully complete an everyday	15
