Changes to legislation: There are currently no known outstanding effects for the
The Swine Vesicular Disease Regulations 2009. (See end of Document for details)

SCHEDULE 1

Regulations 8, 9, 10, 11, 13 and 17

.....

SCHEDULE 2

Regulation 24

.....

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations implement in England the provisions of Council Directive [92/119/EEC](#) introducing general Community measures for the control of certain animal diseases and specific measures relating to swine vesicular disease (OJ No L 62, 15.3.1993, p. 69) in so far as that Directive controls swine vesicular disease and Council Directive [2007/10/EC](#) (OJ No L 63, 1.3.2007, p. 24).

Part 1 is introductory.

Part 2 deals with notification of suspicion of swine vesicular disease.

Part 3 and Schedule 1 deal with premises where swine vesicular disease is suspected or confirmed, or which have been exposed to the virus.

Part 4 deals with slaughterhouses.

Part 5 and Schedule 2 make provision for the establishment of protection, surveillance and movement restriction zones following the confirmation of swine vesicular disease on any premises.

Part 6 prohibits vaccination against swine vesicular disease except in the circumstances set out there.

Part 7 contains provisions relating to inspection and enforcement.

Breach of the Regulations is an offence punishable—

(a)

(b)

They are enforced by the local authority.

A full impact assessment has been prepared and placed in the libraries of both Houses of Parliament. It is available on the Defra website at www.defra.gov.uk.

Changes to legislation:

There are currently no known outstanding effects for the The Swine Vesicular Disease Regulations 2009.
