- (a) in accordance with international accounting standards, or
 - (b) in accordance with the generally accepted accounting practice specified in the application.

Change in accounting policy

- 60.**—(1) This regulation applies if—
- (a) there is a change of accounting policy in drawing up a reporting fund's accounts from one period of account (in this Chapter called the “earlier period”) to the next (in this Chapter called the “later period”), and
 - (b) the approach in each of those periods accords with the law and practice applicable in relation to that period.
- (2) If there is a difference between—
- (a) the accounting value of an asset or liability of the offshore fund at the end of the earlier period, and
 - (b) the accounting value of that asset or liability at the beginning of the later period,

a corresponding debit or credit (as the case may be) must be brought into account for the purposes of these Regulations in the later period.

CHAPTER 5

THE COMPUTATION OF REPORTABLE INCOME

General

Duty to provide computation

- 62.**—(1) This Chapter explains how reportable income is computed.
- (2) A reporting fund must provide a computation of its reportable income for a period of account.

Computation of reportable income: general

- 63.**—(1) The starting point for computing the reportable income of a reporting fund for a period of account is—
- (a) in a case in which the fund prepares its accounts in accordance with international accounting standards, the “total comprehensive income for the period” as that expression is used in international accounting standards, or
 - (b) in any other case, the entries in the fund's accounts that are considered to equate to “total comprehensive income for the period” as that expression is used in international accounting standards.
- (2) The starting point specified in paragraph (1) must be adjusted having regard to—
- (a) capital items [^{F23}and miscellaneous items] (see regulations 64 and 65),
 - (b) special classes of income (see regulations 66 to 71), and
 - [^{F24}(c) any arrangements to adjust income based on the number of units in issue (see regulations 72 to 72B).]
- (3) In the case of any one item, an adjustment under paragraph (2) may be made only once (even if more than one of the regulations mentioned in that paragraph apply to that item).
- (4) The reportable income of the reporting fund for the period of account is the amount computed in accordance with the provisions of this Chapter and of Chapter 6.
- (5) But if the computation gives rise to a negative amount, the reportable income is nil.

Treatment of capital items following IMA SORP

64.—(1) The capital items for which an adjustment is required are such profits, gains or losses as would fall to be dealt with under the heading “net capital gains/losses” in the statement of total return for the period of account if the accounts for that period were to be prepared in accordance with the IMA SORP.

(2) The amount specified in regulation 63(1) must be adjusted by—

- (a) deducting gains that fall within the heading specified in paragraph (1), and
- (b) adding losses that fall within that heading.

(3) A profit or loss from a trade may not be treated as a capital item for the purposes of this regulation. This paragraph is subject to regulation 80.

(4) For the purposes of paragraph (1) the IMA SORP applies to determine the “net capital gains/losses” of an offshore fund for a period of account in the same way that it applies to determine the “net capital gains/losses” of an authorised investment fund for an accounting period.

(5) In this regulation—

“authorised investment fund” has the meaning given in the Authorised Investment Funds (Tax) Regulations 2006 ^{M1};

“the IMA SORP” means, in relation to any period of account for which it is required or permitted to be used, the Statement of Recognised Practice relating to authorised investment funds issued by the Investment Management Association in November 2008, as from time to time modified, amended or revised.

(2) The amount specified in regulation 63(1) must be adjusted by the addition of the net income computed by taking into account the expected redemption price of any interest bearing assets over the expected life of the asset.

(3) The sum mentioned in paragraph (2) may be computed by any reasonable method which—

- (a) takes into account the full expected gain or loss on the asset, and

Income from wholly-owned subsidiaries

67.—(1) This regulation applies if a reporting fund has a wholly-owned subsidiary.

(2) For the purposes of this regulation, a company is a wholly-owned subsidiary of an offshore fund if and so long as the whole of the issued share capital of the company is—

- (a) in the case of an offshore fund falling within paragraph (a) of the definition of “offshore fund” in section 40A(2) of FA 2008 ^{M2}, directly [^{F29}or indirectly] owned by the fund;
- (b) in the case of an offshore fund falling within paragraph (b) of the definition of “offshore fund” in that enactment, directly [^{F30}or indirectly] owned by the trustees of the fund for the benefit of the fund;
- (c) in the case of an offshore fund falling within paragraph (c) of the definition of “offshore fund” in that enactment, owned in a manner which, as near as may be, corresponds either to paragraph (a) or paragraph (b) above.

(3) But in the case of a company which has only one class of issued share capital, the reference in paragraph (2) to the whole of the issued share capital shall be construed as a reference to at least 95% of that share capital.

(4) That percentage of the receipts, expenditure, assets and liabilities of the subsidiary which is equal to the percentage of the issued share capital of the company concerned which is owned as mentioned in paragraph (2) shall be regarded as the receipts, expenditure, assets and liabilities of the fund.

(5) There shall be left out of account—

- (a) the interest of the fund in the subsidiary, and
- (b) any distributions or other payments made by the subsidiary to the fund or by the fund to the subsidiary.

(6) The adjustments required under regulations 64 and 65 must be made to the amount determined under paragraph (4).

(2) The excess (if any) of the income reported by RF2 in respect of RF1's interest in RF2 over the amount distributed by RF2 to RF1 must be added by RF1 to the amount specified in regulation 63(1) after making the adjustments specified in regulations 64 and 65.

- (a) have not previously had the effect of reducing income for the period of account in which they were incurred, or
- (b) have not been used previously to reduce gains arising to the non-reporting fund.

(4) The condition specified is that the losses in earlier periods of account were all made during periods in which this Part applied continuously to the reporting fund.

Treatment of reporting funds operating equalisation arrangements

[^{F38}72.—(1) This regulation applies if a reporting fund operates equalisation arrangements.

(2) If a person acquires an interest in the fund by way of initial purchase, the reportable income must be increased by an amount equal to that part of the acquisition price which is attributable to the undistributed income which has accrued to the fund in the period of account up to the time of the acquisition and which is taken into account in determining the acquisition price (“the equalisation amount”).

(3) If a participant disposes of an interest in the fund by way of redemption, the reportable income must be reduced by an amount equal to that part of the redemption price which is attributable to the undistributed income which has accrued to the fund in the period of account up to the time of the redemption and which is taken into account in determining the redemption price.

(4) For the purposes of these Regulations a person acquires an interest in an offshore fund by way of initial purchase if the acquisition is by way of subscription for or allotment of new shares,

units or other interests issued or created by the fund or by way of direct purchase from the managers of the fund acting in their capacity as managers of the fund.

Reporting Funds not operating equalisation: income adjustments based on reportable income for computation periods

72A.—(1) This regulation applies if a reporting fund does not operate equalisation arrangements and—

- (a) the fund has given a statement under regulation 53(1)(k) that it intends to make income adjustments in a reporting period on the basis of reportable income, or
- (b) regulation 72B(7) applies.

(2) The reportable income of the fund for a reporting period is the sum of the reportable income per unit for all the computation periods in the reporting period multiplied by the number of units in the fund in issue at the end of the reporting period.

(3) But if the sum results in a negative amount, the reportable income for that period is nil.

(4) Where a period of account consists of two reporting periods, the reportable income for the period of account is the sum of the reportable income for both those reporting periods.

(5) The reportable income per unit for a computation period is calculated by dividing the reportable income of the fund for the computation period by the average number of units in the fund in issue during the computation period.

(6) For the purposes of paragraph (5), the reportable income of the fund for a computation period means the reportable income of the fund for that period computed in accordance with this Chapter (ignoring regulation 63(5) and this regulation) and Chapter 6 of this Part.

(7) In the computation referred to in paragraph (6), this Chapter and Chapter 6 of this Part apply as if references to a period of account of the fund were references to a computation period.

Reporting Funds not operating equalisation: income adjustments based on accounting income for computation periods

72B.—(1) This regulation applies if a reporting fund does not operate equalisation arrangements and the fund has given a statement under regulation 53(1)(k) that it intends to make income adjustments in a reporting period on the basis of accounting income.

(2) The reportable income of the fund for a reporting period is calculated as follows—

$$(AIU \times RI / AI) \times U$$

where—

AIU is the sum of the accounting income per unit for all the computation periods in the reporting period,

RI is the reportable income of the fund for the reporting period computed in accordance with this Chapter (ignoring this regulation), Chapter 6 of this Part and regulation 93,

AI is the sum of accounting income for all the computation periods in the reporting period, and

U is the number of units in the fund in issue at the end of the reporting period.

This is subject to paragraphs (6) and (7).

(3) Where a period of account consists of two reporting periods, the reportable income for the period of account is the sum of the reportable income for both those reporting periods.

(4) But if the sum results in a negative amount, the reportable income for that period is nil.

(5) The accounting income per unit for a computation period is calculated by dividing accounting income for the computation period by the average number of units in the fund in issue during the computation period.

(6) Where RI is zero the reportable income per unit of the fund for a reporting period is zero.

(7) Where the difference in the amount of reportable income per unit for any reporting period in a period of account calculated using this method and the amount of reportable income per unit for that reporting period calculated on the basis of reportable income is or is likely to be more than 10% of the latter of those amounts—

(a) the fund must make income adjustments in that and future periods of account on the basis of reportable income, and

(b) the manager must give notice to HMRC of the change in the method of income adjustment with the information provided to HMRC in relation to that period under regulation 106 (reporting requirements).

(8) In this Part “accounting income” means an amount proportionally related to the reportable income of the fund determined from the interim or management accounts of the fund, but this amount must not be less than zero.

Supplementary provisions: average number of units and computation period

72C.—(1) For the purposes of regulations 72A(5) and 72B(5), the average number of units in the fund in issue during the computation period is the sum of the units in the fund in issue during the period after each unit has been multiplied by the fraction of the period for which it is held.

(2) In this Part a “computation period” means a period determined by a fund in accordance with the following rules.

Rule 1

A new computation period must start—

- (a) at the beginning of a reporting period, and
- (b) immediately after the end of a previous computation period.

Rule 2

A computation period must end—

- (a) at the end of a reporting period, and
- (b) at the end of a period in relation to which income is allocated to participants for distribution or accumulation.

Rule 3

If a reporting period consists of more than one computation period those periods must be of approximately equal length.]

(2) In this Part a “diversely owned fund” means a reporting fund in respect of which the conditions mentioned in paragraph (1) are met for a period of account.

The equivalence condition

74.—(1) The equivalence condition is met if the fund meets condition A ^{F40}, B or C] throughout the period of account.

(2) Condition A is that the fund is recognised by the [^{F41}Financial Conduct Authority] within the meaning of section ^{F42}...^{F43}... 272 of FISMA 2000.

(5) In paragraph (4), the competent authority in an EEA state is the authority designated in accordance with Article 97 of Council Directive [2009/65/EC](#) in relation to that fund.]

The genuine diversity of ownership condition

75.—(1) The genuine diversity of ownership condition is met if the fund meets^[F45], or, in relation to a fund constituted by a class of interests in the main arrangements, the main arrangements meet,] conditions A to C throughout the period of account.

(2) Condition A is that the fund produces documents, available to investors and to HMRC, which contain—

- (b) an undertaking that interests in the fund will be widely available, and
- (c) an undertaking that interests in the fund will be marketed and made available in accordance with the requirements of paragraph (4)(a).

(4) Condition C is—

- (a) that interests in the fund must be marketed and made available—

- (b) deters a reasonable investor falling within one of the intended categories of investor from investing in the fund.
- (2) Condition C (see regulation 75(4)) shall be treated as being met even if at the relevant time the fund has no capacity to receive additional investments, unless—

Clearances in relation to the equivalence and genuine diversity of ownership conditions

Who may apply for clearance

77.—(1) The following may apply for clearance that the fund meets the equivalence condition and the genuine diversity of ownership condition—

- (a) the manager of an eligible offshore fund;
- (b) the manager of a non-reporting fund who makes an application under regulation 52.

(2) If it is proposed to establish an offshore fund which, on its establishment, is to be an eligible offshore fund, the applicant may apply for clearance that the fund will meet the equivalence condition and the genuine diversity of ownership condition on its establishment.

Procedure for obtaining clearance

78.—(1) The relevant person specified in regulation 77 (the “relevant person”) must apply in writing to HMRC for clearance that the fund meets the equivalence condition and the genuine diversity of ownership condition.

(2) A document submitted in accordance with paragraph (1) must be accompanied by the documents specified in regulation 75(2).

(3) HMRC may require the relevant person to provide further particulars if HMRC believe that full particulars of the fund have not been provided.

(4) HMRC must notify the relevant person within 28 days beginning with the day on which HMRC receive the documents mentioned in paragraphs (1) and (2) (or, as the case may be, the further particulars mentioned in paragraph (3))—

- (a) giving clearance that the fund meets the equivalence condition and the genuine diversity of ownership condition,
- (b) giving that clearance subject to conditions, or

- (c) refusing to give that clearance.

Circumstances in which clearance may not be relied upon

79.—(1) An offshore fund (and investors in that fund) may not rely on a clearance given under regulation 78 if any of conditions A to D is met.

(2) Condition A is that at the beginning of the first period of account of the fund to which the clearance relates (and at the beginning of each subsequent period of account), a relevant statement in the instrument constituting the fund or in its prospectus in issue for the time being is not in accordance with a relevant statement in the documents considered by HMRC before giving clearance.

(3) Condition B is that the fund is operated otherwise than in accordance with condition C of the genuine diversity of ownership condition (see regulations 75 and 76).

(4) Condition C is that the fund acts or is operated in contravention of a relevant statement in the instrument constituting the fund or in its prospectus.

(5) Condition D is that the documents specified in regulation 75(2) are materially amended.

(6) Condition D does not apply if the relevant person specified in regulation 77 has obtained a clearance given under regulation 78 which applies to the documents in their amended form.

(7) For the purposes of condition D, a material amendment is one that may reasonably be construed as causing, or likely to cause, the fund to fail to meet the equivalence condition or the genuine diversity of ownership condition in relation to any period of account.

TRANSPARENT REPORTING FUNDS

F49 Pt. 3 Ch. 6A inserted (with effect in accordance with reg. 1(2) of the amending S.I.) by [The Offshore Funds \(Tax\) \(Amendment\) Regulations 2011 \(S.I. 2011/1211\)](#), regs. 1(1), **24**

Transparent reporting funds

89A.—(1) This Chapter explains how reportable income is computed in the case of a transparent reporting fund.

(2) For the purposes of these Regulations a “transparent reporting fund” is a reporting fund which is a transparent fund.

Reportable income: general

89B.—(1) A transparent reporting fund must provide a computation of its reportable income for a period of account.

(2) The reportable income of a transparent reporting fund for a period of account is comprised of—

- (a) each of the separate sums of income for the period which fall within paragraph (a) or (b) of regulation 11 (meaning of transparent funds), and
- (b) the adjustments made to those sums in accordance with regulations 89C to 89E.

(3) For the purposes of this Part the adjustments referred to in paragraph (2)(b) are excesses of reported income of the fund over the sums which form part of the income of the fund within paragraph (2)(a).

Adjustment in relation to income from other reporting funds

89C.—(1) This regulation applies if a transparent reporting fund (“TRF”) has an interest in another reporting fund (“RF”).

(2) The reportable income of TRF in relation to that interest shall include the excess (if any) of the income reported by RF in respect of TRF’s interest in RF over the amount distributed by RF in relation to that interest.

(3) The excess is treated as reportable income of TRF for the period of account in which the fund distribution date of RF falls.

(4) If RF does not make a report available in accordance with regulation 90(5), TRF must—

- (a) include its best estimate of reported income from RF as an adjustment to the computation of its reportable income in relation to that interest for the period of account in which the latest possible fund distribution date for RF falls (to the extent that any such amount has not already been recognised in the computation of TRF’s reportable income for that or any earlier period of account), and

- (b) make any necessary corrections to its best estimate in its computation of reportable income for the first later period of account in which it has sufficient information to make those corrections.

Adjustment in relation to income from non-reporting funds: first case

89D.—(1) This regulation applies if—

- (a) a transparent reporting fund has an interest in a non-reporting fund, and
- (b) the conditions in paragraph (2) are met for a period of account.

(2) The conditions are that—

- (a) the transparent reporting fund has access to the accounts of the non-reporting fund;
- (b) the transparent reporting fund has sufficient information about the non-reporting fund to enable it to prepare a computation of reportable income for the non-reporting fund; and
- (c) the transparent reporting fund can reasonably expect to rely on continued access to that information for the period in which it will hold the investment in the non-reporting fund.

(3) Regulation 89C applies as if the transparent reporting fund were TRF and the non-reporting fund were RF.

(4) For the purposes of the computation mentioned in paragraph (2)(b), regulation 80 applies if (and only if) the non-reporting fund is a UCITS fund.

Adjustment in relation to income from non-reporting funds: second case

89E.—(1) This regulation applies if a transparent reporting fund has an interest in a non-reporting fund, but the conditions in regulation 89D(2) are not met for a period of account.

(2) The reportable income of the transparent reporting fund for a period of account in relation to that interest shall include an amount equal to the increase in the fair value of the interest in the non-reporting fund in that period.

(3) But if the condition specified in paragraph (4) is met, decreases in the fair value of that interest in earlier periods of account may be set against the increase referred to in paragraph (2) to reduce the amount of the increase, but—

- (a) not to below zero, and
- (b) only to the extent that the decreases in fair value have not previously had the effect of reducing the amount of a fair value increase.

(4) The condition specified is that the decrease in fair value in earlier periods of account all occurred during periods in which this Part applied continuously to the transparent reporting fund.

(5) In this regulation “fair value” in relation to an interest in a non-reporting fund means the amount which, at the time the value is to be determined, is the amount for which the interest could be exchanged between knowledgeable and willing parties dealing at arm’s length.]

CHAPTER 7

REPORTS TO PARTICIPANTS

Report to participants for a reporting period

90.—(1) A reporting fund must make a report available to each [^{F50}relevant] participant for each reporting period.

(2) For the purposes of these Regulations a report is made available if the fund—

- (a) sends the report to a [^{F51}relevant] participant by post,

- (b) sends the report to a [^{F51}relevant] participant by means of an electronic communications service,
 - (c) makes the report available on a website accessible to relevant participants and to HMRC, or
 - (d) publishes the report in a newspaper which is published in English in the United Kingdom and readily available in all parts of the United Kingdom.
- (3) In [^{F52}this regulation] “relevant participants” means participants who—
- (a) are resident in the United Kingdom, or
 - (b) are reporting funds,
- during any part of the reporting period.
- (4) If the fund does not provide the report to a [^{F53}relevant] participant by sending it to the participant by post, the fund must, if so required by the participant, make the report available to the participant in some further manner (whether or not that further manner is also specified in regulation 90(2)) as the fund and the participant may agree.
- (5) The reporting fund must make the report available within a period of six months beginning with the day immediately following the final day of the reporting period.
- (6) The report must be in English.

Meaning of “reporting period”

91. In these Regulations a “reporting period” of a reporting fund means a period determined in accordance with the following rules— *First rule* If the reporting fund's period of account is twelve months or less, the reporting period is the same as the period of account. *Second rule* If the reporting fund's period of account is more than twelve months, there are two reporting periods. The first reporting period is a period consisting of the first twelve months of the period of account. The second reporting period is a period consisting of the remainder of the period of account.

Contents of report to participants^[F54]: non-transparent funds]

- 92.**—(1) [^{F55}In the case of reporting funds which are not transparent funds,] the report to participants for a reporting period must include the following information—
- (a) the amount actually distributed to participants per unit of interest in the fund in respect of the reporting period;
 - [^{F56}(b) the amount per unit of any excess treated as additional distributions made to participants in the fund in respect of the reporting period;]
 - (c) the dates on which distributions were made;
 - (d) the fund distribution date (see regulation 94(4));

- (e) a statement whether or not the fund remains a reporting fund at the date the fund makes the report available.
- [^{F57}(f) if the fund operates full equalisation arrangements and has not given a statement under regulation 50A(b)(i), the equalisation amount per unit of interest in the fund in relation to any interest acquired by way of initial purchase in the reporting period.]
- (2) In these Regulations the “reported income” of a reporting fund for a reporting period means the reportable income of the fund for the reporting period, computed by or on behalf of the fund, and provided, in the report for the reporting period, to the participants in the fund.
- (3) For the purposes of paragraph (1)—
- [^{F58}(a) the amount in paragraph (b) is the amount of any excess specified in regulation 94(1) divided by the number of units in the fund in issue at the end of the reporting period.]
- [^{F59}(b) the amount actually distributed to participants per unit of interest in the fund in respect of the reporting period must be computed at the time the distribution is made,
- (ba) subject to paragraphs (3A) and (3B), the fund may chose to calculate the equalisation amount per unit of interest in the fund either on the basis of—
- (i) the sum of all the equalisation amounts in relation to all acquisitions by way of initial purchase in the reporting period divided by the total number of units acquired by way of initial purchase in the period, or
- (ii) the equalisation amount in relation to the acquisition by the participant to whom the report is made available divided by the number of units acquired on that acquisition, and]
- (c) the amount per unit of interest in the fund must be expressed to at least four decimal places of a pound (or other currency unit) of value per unit.
- [^{F60}(3A) A fund cannot change the basis for calculating the equalisation amount per unit of interest in the fund more than once in three successive reporting periods.
- (3B) In any reporting period all reports to participants must use the same basis for calculating the equalisation amount per unit of interest in the fund .]
- (4) If the amount of the reported income per unit of interest in the fund for the reporting period is equal to, or less than, the amount actually distributed to participants per unit of interest in the fund in respect of the reporting period, the amount to be stated for the purposes of paragraph (1)(b) is nil.

- (b) has difficulty in computing its reportable income for the reporting period constituting the first twelve months of that period of account (the “relevant reporting period”).

(2) For the purpose of preparing its report to participants for the relevant reporting period, the fund may elect—

- (a) to compute its reportable income based on such information as is reasonably available, or
- (b) to make a just and reasonable apportionment of the income of the period of account.

(3) The computation of reportable income for the reporting period following the relevant reporting period must include all amounts not accounted for in the relevant reporting period.

CHAPTER 8

THE TAX TREATMENT OF PARTICIPANTS IN REPORTING FUNDS

Tax treatment of the reported income of the fund in the hands of participants

Reported income: general provisions

94.—(1) In the case of a reporting fund which is not a transparent fund, the Tax Acts have effect as if the excess (if any) of the reported income of the fund in respect of a reporting period over the distributions made by the fund in respect of the reporting period were additional distributions made to the participants in the fund in proportion to their rights.

(2) In the case of a reporting fund which is a transparent fund, the Tax Acts have effect as if the excess (if any) of the reported income of the fund in respect of a reporting period over the income of the fund for the reporting period were additional income of the participants in the fund in proportion to their rights.

[^{F65}(2A) But to the extent that the participant’s rights in the fund are rights to which regulation 30 (rights in certain existing holdings) applies, the excess specified in [^{F66}paragraphs (1) and] (2) shall be reduced proportionately.]

(3) The excess specified in paragraphs (1) and (2) is treated as made, on the fund distribution date, [^{F67}or on such earlier date as the reported income in respect of that reporting period is recognised in the participant’s accounts,] to participants holding an interest in the fund at the end of the reporting period.

[^{F68}(3A) If—

- (a) a participant disposes of an interest in a reporting fund in a reporting period (“the earlier period”), and
- (b) section 106A of TCGA 1992 (identification of securities: capital gains tax) applies to identify the whole or any part of that interest with an interest acquired in the next reporting period,

then, for the purposes of paragraph (3), the disposal of the interest so identified shall be ignored and the participant shall be treated as holding that interest at the end of the earlier period.]

(4) In these Regulations the “fund distribution date” for a reporting period of a reporting fund [^{F69}means the date six months following the last day of the reporting period].

Deemed disposals of interests

100.—(1) This regulation applies if an offshore fund ceases to be a reporting fund and becomes a non-reporting fund.

(2) A participant in the fund may make an election to be treated for the purposes of TCGA 1992—

- (a) as disposing of an interest in the reporting fund at the end of that fund's final period of account, and
- (b) as acquiring an interest in the non-reporting fund at the beginning of that fund's first period of account.

This is subject to paragraph (3).

(3) The election mentioned in paragraph (2) may only be made if a report has been made available to the participant under regulation 90 for the reporting fund's final period of account.

(4) The disposal referred to in paragraph (2)(a) is treated as made for a consideration equal to the net asset value of the participant's interest in the fund at the end of the period of account for which the final reported income is reported to the participant.

(5) The acquisition referred to in paragraph (2)(b) is treated as made for the same amount as the disposal referred to in paragraph (2)(a).

(6) If the participant is chargeable to income tax, the election mentioned in paragraph (2) must be made by being included in a return made for the tax year which includes the disposal date.

(7) If the participant is chargeable to corporation tax, the election mentioned in paragraph (2) must be made by being included in the participant's company tax return for the accounting period which includes the disposal date.

(8) In this regulation—

“company tax return” has the same meaning as in Schedule 18 to the Finance Act 1998 ^{M9};

“disposal date” means the final day of the reporting fund's final period of account.

(b) any amount required to be brought into account under regulation 103.

(4) In this group of regulations “relevant period” means—

(a) in the case of a financial trader within the charge to income tax, a period of account, and

(b) in the case of a financial trader within the charge to corporation tax, an accounting period.

(5) In this group of regulations references to distributions are subject to section 130 of CTA 2009 (insurers receiving distributions etc).

Amounts brought into account in computing trading profits or losses of financial traders

103.—(1) The only amounts that may be brought into account in computing the trading profits or losses of the financial trader in respect of the interest in the reporting fund for the relevant period are—

(3) Condition B is that the interest is accounted for under generally accepted accounting practice on the basis of fair value accounting.

(4) Condition C is that the interest is a relevant holding in respect of which the provisions of section 490 of CTA 2009 (holdings in OEICs, unit trusts and offshore funds treated as creditor relationship rights) apply in relation to the financial trader.

- (5) In paragraph (4) a “relevant holding” means—

107.—(1) HMRC may give notice requiring a reporting fund or its managers, within such time, not being less than 42 days, as is specified in the notice, to provide any information, particulars or documents, in the possession or power of the reporting fund or its managers, as HMRC may reasonably require for the purposes of determining whether the fund has met, or continues to meet, its obligations under Chapter 3 of this Part.

(2) Before a notice is given to a reporting fund by HMRC under paragraph (1), the fund must have been given a reasonable opportunity to deliver the information, particulars or documents, or to make them available (the “initial request”); and HMRC must not give notice under paragraph (1) until the initial request has been given to the fund.

(3) HMRC must give the initial request to the reporting fund or its manager within a period of one year beginning with the day that the fund provides the information specified in regulation 106(1).

CHAPTER 10

BREACHES OF REPORTING FUND REQUIREMENTS

Types of breaches

108.—(1) This Chapter applies if a reporting fund is in breach of a requirement imposed in this Part.

(2) A breach of a requirement imposed in this Part is—

- (a) a minor breach, or
- (b) a serious breach.

(3) For the purposes of these Regulations, a breach of a requirement imposed in this Part is a “serious breach” if it is—

- (a) a breach specified as a serious breach in a provision of this Chapter, or

(b) a breach which is not a minor breach.

(4) For the purposes of these Regulations, a breach of a requirement imposed in this Part is a “minor breach” if it is a breach (other than a breach specified as a serious breach in a provision of this Chapter)—

- (a) for which there is a reasonable excuse, or
- (b) which is inadvertent and remedied as soon as reasonably possible.

This paragraph is subject to the following provisions of this regulation.

(5) For the purposes of this Part a minor breach is not regarded as a breach if the reporting fund corrects the breach without any HMRC intervention.

(6) For the purposes of these Regulations there is an “HMRC intervention” in relation to a reporting fund if HMRC request the fund to provide them with information relating to a requirement imposed in this Part. This is subject to paragraph (7).

(7) There is no HMRC intervention in relation to a reporting fund if—

- (a) the fund takes the initiative to correct a minor breach, and
- (b) HMRC request the fund to provide them with information so that they may deal with the initiative taken.

(8) Regulation 109 deals with the consequences of minor breaches.

(9) Regulation 114 deals with the consequences of serious breaches.

Consequences of minor breaches

109.—(1) If a reporting fund is in breach of a requirement imposed in this Part and the breach is a minor breach, the fund continues to be treated as a reporting fund.

(2) Paragraph (1) is subject to the following provisions of this Chapter.

(3) If paragraph (1) applies on four separate occasions in a period of ten years beginning with the first day of the period of account in which the first breach occurs, the fourth breach is a serious breach.

(4) If a single event results in more than one minor breach within a single period of account, there is only one minor breach in that period of account for the purposes of this Chapter.

Differences between reported income and reportable income

110.—(1) This regulation applies if there is a difference between—

- (a) the reportable income of a reporting fund for a period of account, and
- (b) the reported income of the fund for all reporting periods comprised in the period of account.

(2) The following amounts must be determined for each reporting period comprised in the period of account—

- (a) the amount of the reported income for the reporting period, and
- (b) the amount of the reportable income for the period of account that is referable to that reporting period.

(3) If the difference between the two amounts specified in paragraph (2) is 10% or less of the reportable income, there is no breach of a requirement imposed in this Part.

(4) If the difference between the two amounts specified in paragraph (2) is more than 10% but not more than 15% of the reportable income—

- (a) an amount equal to the difference must be added to the reported income—

- (i) for the reporting period in which the error is established, or
 - (ii) for the following reporting period; or
 - (b) the reporting fund must make a supplementary report for the period of account in which the difference occurs before the end of a period of three months beginning immediately after the period of account in which the error is established.
- (5) If the difference between the two amounts specified in paragraph (2) is more than 15% of the reportable income, the reporting fund must make a supplementary report to participants for the period of account in which the difference occurs before the end of a period of three months beginning immediately after the period of account in which the error is established.
- (6) The supplementary report mentioned in paragraphs (4) and (5) must be made to those persons who were participants in the fund at the end of the period of account in which the difference occurs.
- (7) If paragraph (4) or (5) applies and the action specified in the applicable paragraph is taken as soon as reasonably possible, there is a minor breach.
- (8) If paragraph (4) or (5) applies but the action specified in the applicable paragraph is not taken as soon as reasonably possible, there is a serious breach.
- (9) For the purposes of paragraph (4) an error is established for a reporting period if, during that reporting period—
- (a) HMRC conclude—
 - (i) that an error has been made in respect of an earlier reporting period, and
 - (ii) that, as a result of the error, the difference between the reported income for the reporting period and the reportable income for the period of account in which the reporting period is comprised is more than 10% but not more than 15%; and
 - (b) HMRC give notice to the reporting fund of the matters specified in sub-paragraph (a).
- (10) For the purposes of paragraph (5) an error is established for a period of account if, during that period of account—
- (a) HMRC conclude—
 - (i) that an error has been made in respect of an earlier period of account, and
 - (ii) that, as a result of the error, the difference between the reported income and the reportable income for the period of account is more than 15%; and
 - (b) HMRC give notice to the reporting fund of the matters specified in sub-paragraph (a).

Provision of report that is incorrect or incomplete

- 111.**—(1) This regulation applies if—
- (a) a reporting fund provides a report specified in paragraph (2) that is incorrect or incomplete, and
 - (b) regulation 110 does not apply.
- (2) The reports specified are—
- (a) the report to participants in accordance with the requirements of Chapter 7 of this Part, and
 - (b) the report to HMRC in accordance with the requirements of Chapter 9 of this Part.
- (3) If the reporting fund provides a correct report as soon as reasonably possible, there is a minor breach.
- (4) If the reporting fund does not provide a correct report as soon as reasonably possible, there is a serious breach.

Cases where information is not provided

112.—(1) This regulation applies if, on the relevant date, a reporting fund has not provided—

- (a) the information specified in regulation 106(1) to HMRC in relation to a period of account (the “requisite period of account”), and
- (b) a report to each participant for each reporting period comprised in the requisite period of account.

(2) In paragraph (1) the “relevant date” means the day immediately following the expiry of the period of six months beginning immediately after the end of the requisite period of account.

(3) If the reporting fund provides the information mentioned in paragraph (1)(a) and the reports mentioned in paragraph (1)(b) within a period of four months beginning with the relevant date, the breach is not regarded as a breach for the purposes of this Part.

(4) If the reporting fund does not provide the information mentioned in paragraph (1)(a) and the reports mentioned in paragraph (1)(b) within a period of four months beginning with the relevant date but does provide that information and those reports within a period of twelve months beginning with the relevant date, there is a minor breach.

(5) If the reporting fund does not provide the information mentioned in paragraph (1)(a) and the reports mentioned in paragraph (1)(b) within a period of twelve months beginning with the relevant date, there is a serious breach.

Serious breaches

113.—(1) There is a serious breach if condition A, B, C or D is met.

(2) Condition A is that a period of account of a reporting fund exceeds 18 months.

(3) Condition B is that a reporting fund has used an accounting practice which—

- (a) is not in accordance with international accounting standards, and
- (b) has not been approved by HMRC (see regulations 53, 55 and 61).

(4) Condition C is that—

- (a) a reporting fund fails, or its managers fail, to provide the information, particulars or documents within the time specified in a notice given under regulation 107(1), and
- (b) there is no appeal against the notice within the time specified in regulation 107(6).

(5) Condition D is that—

- (a) on an appeal against a notice given under regulation 107(1), the tribunal varies the notice,
- (b) a reporting fund fails, or its managers fail, to provide the information, particulars or documents within the time specified in the notice (as so varied), and
- (c) there is no appeal against the decision of the tribunal.

Consequences of serious breaches

114.—(1) This regulation applies if conditions A and B are met.

(2) Condition A is that—

- (a) a reporting fund is in breach of a requirement imposed in this Part, and
- (b) the breach is a serious breach.

(3) Condition B is that HMRC give notice to the fund—

- (a) stating that the fund is in breach of a requirement imposed in this Part and that the breach is a serious breach, and

(b) specifying the serious breach.

(4) The fund is treated as a non-reporting fund for the reporting period in which HMRC give the notice and for all subsequent periods. This is subject to paragraphs (5) and (6).

(5) If regulation 113(4) applies, the fund is treated as a non-reporting fund for the reporting period in which the notice is given and for all subsequent periods.

(6) If regulation 113(5) applies, the fund is treated as a non-reporting fund for the reporting period in which the notice as varied is given and for all subsequent periods.

Appeal against exclusion from the reporting fund regime

115.—(1) If HMRC give notice to a fund under regulation 114(3) (an “exclusion notice”), the fund may appeal.

(2) The notice of appeal must be given to HMRC within a period of 42 days beginning with the day on which the exclusion notice is given.

(3) On an appeal, the tribunal may uphold or quash the exclusion notice.

CHAPTER 11

LEAVING THE REPORTING FUND REGIME

Termination by notice given by reporting fund

116.—(1) If a reporting fund gives a notice under this regulation specifying a day (the “specified day”) at the end of which this Part is to cease to apply to the fund, this Part shall cease to apply to the fund at the end of that day.

(2) The specified day must be the last day of a period of account of the reporting fund.

(3) A notice under paragraph (1) must be given in writing to HMRC before the specified day.

(4) If the fund gives a notice under paragraph (1), the fund must also make the notice available to each participant before the specified day.

(5) Paragraphs (2) to (4) of regulation 90 apply to determine whether the notice is made available to a participant in the same way as they apply to determine whether a report for a reporting period is made available to a participant.

(6) This regulation is subject to regulation 117.

Reporting fund not complying with requirements

117.—(1) This regulation applies if—

(a) a reporting fund gives a notice under regulation 116, and

(b) the fund has not complied with all requirements imposed in this Part for all periods during which it was a reporting fund.

(2) For the purposes of these Regulations the fund is treated as a fund to which regulation 114 has applied and not as a fund to which regulation 116 has applied.

CHAPTER 12 CONSTANT NAV FUNDS

Interpretation

Meaning of “constant NAV fund”

118.—(1) In these Regulations a “constant NAV fund” means an offshore fund that meets conditions A and B.

(2) Condition A is that the net asset value of the fund (expressed in the currency in which units are issued) will not fluctuate by more than an insignificant amount throughout the fund's existence.

(3) Condition B is that condition A is met as a result of—

- (a) the nature of the fund's assets, and
- (b) the frequency with which the fund distributes its income.

Modified application of this Part

General

119. In the case of a constant NAV fund, Chapters 2 to 11 of this Part apply with the following modifications.

Modified application of Chapter 2

120.—(1) Chapter 2 applies with the following modifications.

(2) In regulation 53 for paragraph (1) substitute—

“(1) An application must include the following—

- (a) a statement of the first period of account for which it is proposed that the fund should be treated as a constant NAV fund for the purposes of these Regulations,
- (b) a statement that the fund is, or will be, a constant NAV fund at the beginning of that first period of account, and
- (c) an undertaking to notify HMRC if the offshore fund ceases to be a constant NAV fund.”.

(3) Regulations 55 and 56 do not apply.

Modified application of Chapter 3

121.—(1) Chapter 3 applies with the following modifications.

- (a) the first day of the first period of account mentioned in regulation 53(1)(a), or
- (b) the day on which the fund is established.

(2) This Part applies to the constant NAV fund and to its participants on and after the date specified in paragraph (1).

(3) Once this Part has begun to apply to a constant NAV fund, it shall continue to apply unless and until the fund notifies HMRC that it has ceased to be a constant NAV fund.

(4) See regulation 108A for the consequences where the net asset value of the fund has risen by more than an insignificant amount and the fund has not notified HMRC that it has ceased to be a constant NAV fund.”.

(3) Regulation 58 does not apply.

Disapplication of Chapters 4 to 9

122. Chapters 4 to 9 do not apply.

Modified application of Chapter 10

123. For regulations 108 to 115 substitute—

“Consequences of rise in net asset value of fund

108A.—(1) This regulation applies if—

- (a) this Part applies to a constant NAV fund,
- (b) the net asset value of the fund (expressed in the currency in which units are issued) has risen by more than an insignificant amount, and
- (c) the fund has not notified HMRC that it has ceased to be a constant NAV fund.

(2) But this regulation does not apply if the net asset value of a constant NAV fund (expressed in the currency in which units are issued) has fallen by more than an insignificant amount.

(3) A participant who disposes of an interest in the fund and who makes a chargeable gain on the disposal is treated as making an offshore income gain.”.

Disapplication of Chapter 11

124. Chapter 11 does not apply.

There are currently no known outstanding effects for the The Offshore Funds (Tax) Regulations 2009, PART 3.
