The Waste Batteries and Accumulators Regulations 2009

PART 7

DISPOSAL, TREATMENT AND RECYCLING

Record keeping

67.—(1) An approved battery treatment operator or approved battery exporter must maintain records that enable completion of the reports referred to in regulation [66\(1\)](#) and [\(4\)](#) in relation to a relevant approval period.

(2) A record maintained under this regulation must be kept for four years from the date on which it is made and must be made available to the appropriate authority on demand.
