130. Schedule 3 deals with the provision of information.

Transfer of status

131.—(1) Where an eligible distance learning student transfers from a designated distance learning course beginning before 1st September 2012 to another designated distance learning course, the Secretary of State must transfer the student’s status as an eligible distance learning student to that course where—

- (a) the Secretary of State receives a request from the eligible distance learning student to do so;
 - (b) the Secretary of State is satisfied that one or more of the grounds for transfer in paragraph (2) applies; and
 - (c) the period of eligibility has not terminated.
- (2) The grounds for transfer are—
- (a) the eligible distance learning student starts to undertake another designated distance learning course at the institution;
 - (b) the eligible distance learning student starts to undertake a designated distance learning course at another institution; or
 - (c) after commencing a designated distance learning course for a first degree (other than an honours degree) the eligible distance learning student is, before the completion of that course, admitted to a designated distance learning course for an honours degree in the same subject or subjects at the institution.

(3) Subject to paragraph (4), an eligible distance learning student who transfers under paragraph (1) is entitled to receive in connection with the academic year of the course to which the student transfers the remainder of the support for which the Secretary of State has determined the student qualifies in respect of the academic year of the course from which the student transfers.

(4) The Secretary of State may re-assess the amount of support payable after the transfer.

(5) An eligible student who transfers under paragraph (1) after the Secretary of State has determined the student’s support in connection with the academic year of the course from which the student is transferring but before the student completes that year may not apply for another grant under regulation 124(1)(b) or regulation 127 in connection with the academic year of the course to which the student transfers.

(6) Where a student transfers under paragraph (1), the maximum amount of support under regulation 124(1)(a) in respect of the academic years to and from which the student transfers is the amount of support available in connection with the course with the highest actual fees as defined in regulation 124.

Conversion of status

132.—(1) Where an eligible distance learning student ceases to undertake a designated distance learning course and transfers to a designated course at the same or at another institution, the Secretary of State must convert the student's status as an eligible distance learning student to that of an eligible student in connection with the course to which the student is transferring where—

- (a) he receives a request from the eligible distance learning student to do so; and
- (b) the period of eligibility has not terminated.

(2) The following applies to a student who transfers under paragraph (1)—

- (a) where the Secretary of State has determined to pay an amount of disabled distance learning students' allowance to the student in periodic instalments no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which the student became an eligible student;
- (b) any support to which the student is entitled under this Part in respect of the academic year in which the student transfers is ignored in determining the amount of support to which the student may be entitled in respect of that year under Parts 4 to 6;
- (c) the maximum amount of any support under Part 5 or 6 to which the student would, apart from this regulation, be entitled in connection with a designated course in respect of that academic year is reduced by one third where the student became an eligible student during the second quarter of that academic year and by two thirds where the student became such a student in a later quarter of that year; and
- (d) where an amount of disabled distance learning students' allowance for any purpose has been paid to the student in a single instalment, the maximum amount of disabled students' allowance payable under Chapter 3 of Part 5 for that purpose is reduced (or, where sub-paragraph (c) applies, further reduced) by the amount of disabled distance learning students' allowance paid to the student for that purpose and where the resulting amount is nil or a negative amount that amount is nil.

(3) Where an eligible student ceases to undertake a designated course which started before 1st September 2012 and transfers to a designated distance learning course which started before 1st September 2012 at the same or at another institution, the Secretary of State must convert the student's status as an eligible student to that of an eligible distance learning student in connection with the course to which eligible student is transferring where—

- (a) he receives a request from the eligible student to do so; and
- (b) the period of eligibility has not terminated.

(4) The following applies to a student who transfers under paragraph (3)—

- (a) where the Secretary of State has determined to pay an amount of disabled students' allowance to the student under Chapter 3 of Part 5 in periodic instalments, no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which the student becomes an eligible distance learning student;
- (b) the maximum amount of disabled distance learning students' allowance to which the student would, apart from this regulation, be entitled in connection with undertaking a designated distance learning course in respect of that academic year is reduced by one third where the student became an eligible distance learning student in the second quarter of the academic year and by two thirds where the student became such a student in a later quarter of that year;
- (c) where an amount of disabled students' allowance for any purpose has been paid to the student under Chapter 3 of Part 5 in a single instalment, the maximum amount of disabled distance learning students' allowance payable for that purpose is reduced (or, where sub-paragraph (b) applies, further reduced) by the amount of grant paid to the student for that

purpose pursuant to Chapter 3 of Part 5, and where the resulting amount is nil or a negative amount that amount is nil; and

- (d) where immediately before the student became an eligible distance learning student the student was eligible to apply, but had not applied for a loan for living costs in respect of that year, or had not applied for the maximum amount or increased maximum to which the student was entitled, the student may apply for such a loan or such additional amount of loan as if the student had continued to be an eligible student; and in the circumstances mentioned in paragraph (5) the maximum amount or increased maximum amount of such loan for the academic year is reduced in accordance with that paragraph.

(5) Where the request under paragraph (3) is made during the first quarter of the academic year in respect of which the loan is payable the maximum amount or increased maximum amount of loan (as the case may be) is reduced by two thirds, and where the request is made during the second quarter of that year that amount is reduced by one third.

Payment of grants for fees

133.—(1) Subject to paragraphs (2) and (3), the Secretary of State must pay the grant in respect of fees for which the student qualifies to the appropriate academic authority after a valid request for payment has been received.

(2) The Secretary of State may make payments under paragraph (1) at such times and in such instalments as the Secretary of State sees fit.

(3) The Secretary of State may make provisional payments under paragraph (1) in such cases as the Secretary of State deems appropriate.

Payment of grants for books, travel and other expenditure and disabled distance learning students' allowance

134.—(1) Payments of the grant for books, travel and other expenditure and the disabled distance learning students' allowance may be made in such manner as the Secretary of State considers appropriate and the Secretary of State may make it a condition of entitlement to payment that the eligible distance learning student must provide the Secretary of State with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(2) Where the Secretary of State cannot make a final assessment on the basis of the information provided by the student, the Secretary of State may make a provisional assessment and payment of the grant for books, travel and other expenditure and the disabled distance learning students' allowance.

(3) The Secretary of State may pay the grant for books, travel and other expenditure and the disabled distance learning students' allowance in instalments.

(4) Subject to paragraph (5), the Secretary of State may pay the grant for books, travel and other expenditure and the disabled distance learning students' allowance at such times as the Secretary of State considers appropriate.

(5) The Secretary of State must not pay the first instalment or, where it has been determined not to pay support in instalments, make any payment of the grant for books, travel and other expenditure or the disabled distance learning students' allowance before the Secretary of State has received a declaration under regulation 129 unless an exception applies.

(6) An exception applies if—

- (a) a disabled distance learning students' allowance is payable in which case that particular grant may be paid before the Secretary of State has received a declaration;

- (b) the Secretary of State has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving a declaration.

Overpayments

135.—(1) Any overpayment of a grant in respect of fees is recoverable by the Secretary of State from the academic authority.

(2) An eligible distance learning student must, if so required by the Secretary of State, repay any amount paid to the student under this Part which for whatever reason exceeds the amount of grant to which the student is entitled under this Part.

(3) The Secretary of State must recover an overpayment of grant for books, travel and other expenditure and disabled distance learning students' allowance unless the Secretary of State considers that it is not appropriate to do so.

(4) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the student from time to time pursuant to regulations made by the Secretary of State under section 22 of the 1998 Act;
- (b) taking such other action for the recovery of an overpayment as is available to the Secretary of State.

(5) A payment of the disabled distance learning students' allowance made before the relevant date is an overpayment if the student withdraws from the course before the relevant date unless the Secretary of State decides otherwise.

(6) In this regulation, the "relevant date" is the date on which the first term of the academic year in question actually begins.

(7) In the circumstances set out in paragraph (8) or (9), there is an overpayment of the disabled distance learning students' allowance unless the Secretary of State decides otherwise.

(8) The circumstances are—

- (a) the Secretary of State applies all or part of the disabled distance learning students' allowance to the purchase of specialist equipment on behalf of the eligible distance learning student;
- (b) the student's period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the student before the period of eligibility terminated.

(9) The circumstances are—

- (a) the eligible distance learning student's period of eligibility terminates after the relevant date; and
- (b) a payment of the disabled distance learning students' allowance in respect of specialist equipment is made to the student after the period of eligibility terminated.

(10) Where there is an overpayment of the disabled distance learning students' allowance, the Secretary of State may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if the Secretary of State considers it is appropriate to do so.
