(3) Where the Authority and the home state competent authority agree, the Authority may carry out on-site inspections on behalf of the home state competent authority in respect of electronic money issuance or payment services provided by an EEA authorised electronic money institution exercising passport rights.

(4) If the Authority has reasonable grounds to suspect that, in connection with the proposed establishment of a branch or the proposed provision of services by an EEA authorised electronic money institution—

- (a) money laundering or terrorist financing within the meaning of the Money Laundering Regulations 2007 is taking place, has taken place, or has been attempted; or
