**The Education (School Teachers’  
Appraisal) (England) Regulations 2012**

**Interpretation**

2.—(1) In these Regulations—

“the Act” means the Education Act 2002;

“appraisal period”, in relation to a teacher, means the period determined in relation to that teacher in accordance with regulation 5;

“school” means a community, voluntary, foundation, community special or foundation special school or a maintained nursery school;

“teacher” means a school teacher as defined in section 122 of the Act; and

“unattached teacher” means a teacher employed by a local authority who is—

- (a) not attached to a particular school, or
- (b) employed otherwise than at a school.

(2) For the purposes of these Regulations, a teacher is employed at a school if—

- (a) the teacher is employed by the governing body of that school, or
- (b) the teacher is employed by the local authority to work in that school.
