CHAPTER 2

Sale and supply of medicines

Prescription only medicines

Sale or supply of prescription only medicines

214.—(1) A person may not sell or supply a prescription only medicine except in accordance with a prescription given by an appropriate practitioner.

(2) A person may not parenterally administer (otherwise than to himself or herself) a prescription only medicine unless the person is—

- (a) an appropriate practitioner other than an EEA health professional; or
- (b) acting in accordance with the directions of such an appropriate practitioner.

(3) The following are appropriate practitioners in relation to any prescription only medicine—

- (a) a doctor;
- (b) a dentist;
- (c) a supplementary prescriber;
- (d) a nurse independent prescriber; and
- (e) a pharmacist independent prescriber.

(4) A community practitioner nurse prescriber is an appropriate practitioner in relation to a prescription only medicine specified in Schedule 13.

(5) An optometrist independent prescriber is an appropriate practitioner in relation to any prescription only medicine other than—

- (a) a medicinal product that is a controlled drug; or
- (b) a medicinal product that is for parenteral administration.

(6) An EEA health professional is an appropriate practitioner in relation to any prescription only medicine other than a controlled drug.

(7) This regulation is subject to Chapter 3 (exemptions).

Prescribing and administration by supplementary prescribers

215.—(1) A supplementary prescriber (“S”) may not give a prescription for a prescription only medicine unless S meets conditions A and C.

(2) A supplementary prescriber (“S”) may not—

- (a) parenterally administer a prescription only medicine; or
- (b) give directions for the parenteral administration of a prescription only medicine,

unless S meets conditions B and C.

(3) Condition A is that S is acting in accordance with the terms of a clinical management plan that—

- (a) relates to the patient to whom the product is prescribed;
- (b) has effect when the prescription is given; and

- (c) includes the particulars specified in Schedule 14.
- (4) Condition B is that S is acting in accordance with the terms of a clinical management plan that—
 - (a) relates to the patient to whom the product is, or is to be, administered;
 - (b) has effect when the product is administered or (as the case may be) the direction is given; and
 - (c) includes the particulars specified in Schedule 14.
- (5) Condition C is that S has access to health records that—
 - (a) are the health records of the patient to whom the plan relates; and
 - (b) are used by any doctor or dentist who is a party to the plan.
- (6) This regulation is subject to regulation 216.
- (7) In this regulation—
 - “clinical management plan” means a written plan (which may be amended from time to time) relating to the treatment of an individual patient agreed by—
 - (a) the patient to whom the plan relates;
 - (b) the doctor or dentist who is a party to the plan; and
 - (c) any supplementary prescriber who is to prescribe, give directions for administration or administer under the plan;
 - “health record” has the meaning given by section 68(2) of the Data Protection Act 1998(28).

Exceptions to regulation 215

216.—(1) Regulation 215 does not apply if—

- (a) S is a community practitioner nurse prescriber; and
- (b) the prescription only medicine prescribed or administered, or in respect of which S gives directions for administration, is specified in Schedule 13.

(2) Regulation 215(2) does not apply if S is acting in accordance with the directions of another person who is an appropriate practitioner (other than a supplementary prescriber or an EEA health professional) in relation to the prescription only medicine in question.

Requirements for prescriptions: general

217.—(1) For the purposes of this Chapter, a prescription only medicine is not sold or supplied in accordance with a prescription given by an appropriate practitioner unless the following conditions are met.

- (2) Condition A is that the prescription is signed in ink by the appropriate practitioner giving it.
- (3) Condition B is that the prescription—
 - (a) is written in ink or otherwise so as to be indelible; or
 - (b) in the case of a health prescription which is not for a controlled drug, is written as described in sub-paragraph (a) or by means of carbon paper or similar material.
- (4) Condition C is that the prescription contains the following particulars—
 - (a) the address of the appropriate practitioner giving it;
 - (b) the appropriate date;

- (c) an indication of the kind of appropriate practitioner giving it;
 - (d) the name and address of the person for whose treatment it is given; and
 - (e) if that person is under 12, that person's age.
- (5) Condition D is that the prescription—
- (a) is not dispensed after the end of the period of six months beginning with the appropriate date; or
 - (b) in the case of a repeatable prescription—
 - (i) it is not dispensed for the first time after the end of that period, and
 - (ii) it is dispensed in accordance with the directions contained in the prescription.
- (6) Condition E is that, in the case of a repeatable prescription that does not specify the number of times it may be dispensed—
- (a) it is not dispensed on more than two occasions, or
 - (b) in the case of a prescription for an oral contraceptive, it is not dispensed on more than six occasions or after the end of the period of six months beginning with the appropriate date.
- (7) In this regulation “appropriate date” means, subject to paragraph (8)—
- (a) in the case of a health prescription, whichever is the later of—
 - (i) the date on which it was signed by the appropriate practitioner giving it, or
 - (ii) a date indicated by the appropriate practitioner as the date before which it should not be dispensed; and
 - (b) otherwise, the date on which the prescription was signed by the appropriate practitioner giving it.
- (8) This regulation—
- (a) does not apply to a prescription given by an EEA health professional (as to which see regulation 218); and
 - (b) is subject to regulation 219 (electronic prescriptions).

Requirements for prescriptions: EEA health professionals

218.—(1) For the purposes of this Chapter, a prescription only medicine is not sold or supplied in accordance with a prescription given by an appropriate practitioner who is an EEA health professional unless the following conditions are met.

- (2) Condition A is that it is an EEA prescription.
- (3) Condition B is that the prescription is signed in ink by the EEA health professional giving it.
- (4) Condition C is that the prescription is written in ink or otherwise so as to be indelible.
- (5) Condition D is that the prescription contains the following particulars—
 - (a) the address of the EEA health professional giving it;
 - (b) the date on which it is signed by the EEA health professional;
 - (c) an indication of whether the EEA health professional is a doctor or dentist; and
 - (d) the name of the person for whose treatment it is given.
- (6) Condition E is that the prescription—
 - (a) is not dispensed after the end of the period of six months beginning with the date on which it is signed by the EEA health professional; or
 - (b) in the case of a repeatable prescription—

- (i) it is not dispensed for the first time after the end of that period, and
 - (ii) it is dispensed in accordance with the directions contained in the prescription.
- (7) Condition F is that, in the case of a repeatable prescription that does not specify the number of times it may be dispensed—
- (a) it is not dispensed on more than two occasions; or
 - (b) in the case of a prescription for an oral contraceptive, it is not dispensed on more than six occasions or after the end of the period of six months beginning with the date on which it is signed by the EEA health professional.
- (8) This regulation is subject to regulation 219 (electronic prescriptions).

Electronic prescriptions

219.—(1) This regulation applies to a prescription that is not a health prescription for a controlled drug.

(2) A prescription only medicine is also sold or supplied in accordance with a prescription given by an appropriate practitioner other than an EEA health professional if—

- (a) conditions A and B in regulation 217 are not met; but
- (b) the conditions in paragraph (4) of this regulation and conditions C to E in regulation 217 are met.

(3) A prescription only medicine is also sold or supplied in accordance with a prescription given by an EEA health professional if—

- (a) conditions B and C in regulation 218 are not met, but
- (b) the conditions in paragraph (4) of this regulation and conditions A and D to F in regulation 218 are met.

(4) The conditions mentioned in paragraphs (2)(b) and (3)(b) are that the prescription is—

- (a) created in electronic form;
- (b) signed with an advanced electronic signature; and
- (c) sent to the person by whom it is dispensed as an electronic communication (whether or not through one or more intermediaries).

(5) In this regulation “advanced electronic signature” means an electronic signature that is—

- (a) uniquely linked to the person (“P”) giving the prescription;
- (b) capable of identifying P;
- (c) created using means that P can maintain under P’s sole control; and
- (d) linked to the data to which it relates in such a manner that any subsequent change of data is detectable.

Medicines not subject to general sale

Sale or supply of medicinal products not subject to general sale

220.—(1) Unless paragraph (2) applies, a person (“P”) may not sell or supply, or offer for sale or supply, a medicinal product that is not subject to general sale.

(2) This paragraph applies if—

- (a) P is a person lawfully conducting a retail pharmacy business;

- (b) the product is sold, supplied, or offered for sale or supply, on premises that are a registered pharmacy; and
 - (c) P or, if the transaction is carried out on P's behalf by another person, that other person is, or acts under the supervision of, a pharmacist.
- (3) This regulation is subject to Chapter 3.

General sale medicines

Sale or supply of medicinal products subject to general sale

221.—(1) A person (“P”) may not sell or supply, or offer for sale or supply, a medicinal product that is subject to general sale elsewhere than at a registered pharmacy unless the following conditions are met.

(2) Condition A is that the place at which the medicinal product is sold, supplied, or offered for sale or supply, consists of premises of which P is the occupier and which P is able to close so as to exclude the public.

(3) Condition B is that—

- (a) the medicinal product was made up for sale in its immediate and outer packaging elsewhere than at the place at which it is sold, supplied, or offered for sale or supply; and
- (b) the immediate and outer packaging has not been opened since the product was made up for sale in it.

(4) Condition C is that, if the medicinal product is of a kind specified in Schedule 15, it is presented for sale in accordance with the requirements specified in that Schedule for a product of that kind.

(5) This regulation is subject to Chapter 3.

Sale of medicinal products from automatic machines

222. A person may not sell or offer for sale a medicinal product by means of an automatic machine if the product is not subject to general sale.

CHAPTER 3

Exemptions relating to supply in specific circumstances

Exemptions for doctors and dentists etc

223.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a doctor or dentist to a patient of that doctor or dentist.

(2) Regulations 220 and 221 do not apply to the sale, offer for sale, or supply of a medicinal product by a doctor or dentist—

- (a) to a patient of the doctor or dentist, or
- (b) to a person under whose care such a patient is.

(3) Regulations 220 and 221 do not apply to the sale, offer for sale or supply of a medicinal product in the course of the business of a hospital or health centre, where—

- (a) the product is sold, offered for sale or supplied for the purposes of being administered to a person (whether in the hospital or health centre or elsewhere) in accordance with directions relating to that person; and
 - (b) those directions have been given by—
 - (i) a doctor,
 - (ii) a dentist,
 - (iii) a supplementary prescriber,
 - (iv) a pharmacist independent prescriber,
 - (v) an optometrist independent prescriber,
 - (vi) a nurse independent prescriber, or
 - (vii) a community practitioner nurse prescriber.
- (4) Regulations 220 and 221 do not apply to the sale or supply of a medicinal product to which paragraph (5) applies where—
- (a) the product is sold or supplied by a registered midwife in the course of the registered midwife's professional practice; or
 - (b) the product is delivered or administered by a registered midwife on being supplied the product under arrangements made by the Secretary of State or the Minister for Health, Social Services and Public Safety.
- (5) The products to which this paragraph applies are—
- (a) medicinal products that are not prescription only medicines;
 - (b) prescription only medicines which by virtue of an exemption conferred under regulation 235(1) and 235(3) and Part 1 of Schedule 17 may be sold or supplied by a registered midwife otherwise than in accordance with a prescription given by a doctor or a dentist; and
 - (c) prescription only medicines which by virtue of an exemption conferred under regulation 235(3) and Part 3 of Schedule 17 may be administered by a registered midwife or a student midwife otherwise than in accordance with a prescription given by a doctor or a dentist.

Emergency sale etc by pharmacist: prescriber unable to provide prescription

224.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a person lawfully conducting a retail pharmacy business if conditions A to E are met.

(2) Condition A is that the pharmacist by or under whose supervision the prescription only medicine is to be sold or supplied is satisfied that the sale or supply has been requested by a relevant prescriber who by reason of an emergency is unable to provide a prescription immediately.

(3) Condition B is that the relevant prescriber has undertaken to provide the person lawfully conducting the retail pharmacy business with a prescription within the period of 72 hours beginning with the sale or supply.

(4) Condition C is that the prescription only medicine is sold or supplied in accordance with the directions of the relevant prescriber.

(5) Condition D is that the prescription only medicine is not a controlled drug, other than a prescription only medicine that—

- (a) consists of or contains phenobarbital or phenobarbital sodium; and
- (b) is sold or supplied for use in the treatment of epilepsy.

(6) Condition E is that an entry is made in the record kept under regulation 253 within the time specified in that regulation stating the particulars required under paragraph 2 of Schedule 23.

Emergency sale etc by pharmacist: at patient's request

225.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a person lawfully conducting a retail pharmacy business if conditions A to E are met.

(2) Condition A is that the pharmacist by or under whose supervision the prescription only medicine is to be sold or supplied has interviewed the person requesting it and is satisfied—

- (a) that there is an immediate need for the prescription only medicine to be sold or supplied and that it is impracticable in the circumstances to obtain a prescription without undue delay;
- (b) that treatment with the prescription only medicine has on a previous occasion been prescribed by a relevant prescriber for the person requesting it; and
- (c) as to the dose which in the circumstances it would be appropriate for that person to take.

(3) Condition B is that for a prescription only medicine shown in column 1 of the following table, the quantity of the product that is sold or supplied does not exceed that shown in column 2 for that prescription only medicine—

<i>Prescription only medicine</i>	<i>Maximum quantity</i>
A prescription only medicine that— (a) is a preparation of insulin, an aerosol for the relief of asthma, an ointment or cream, and (b) has been made up for sale in a package elsewhere than at the place of sale or supply.	The smallest pack that the pharmacist has available for sale or supply.
An oral contraceptive.	A quantity sufficient for a full treatment cycle.
An antibiotic for oral administration in liquid form.	The smallest quantity that will provide a full course of treatment.
A controlled drug within the meaning of Schedule 4 or 5 of the Misuse of Drugs Regulations 2001 or Schedule 4 or 5 of the Misuse of Drugs Regulations (Northern Ireland) 2002.	Five days' treatment.
Any other prescription only medicine.	30 days' treatment.

(4) Condition C is that the prescription only medicine—

- (a) does not consist of or contain a substance specified in Schedule 18; and
- (b) is not a controlled drug, other than a prescription only medicine that—
 - (i) consists of or contains phenobarbital or phenobarbital sodium, and
 - (ii) is sold or supplied for use in the treatment of epilepsy.

(5) Condition D is that an entry is made in the record kept under regulation 253 within the time specified in that regulation stating the particulars required under paragraph 4 of Schedule 23.

(6) Condition E is that the inner or outer packaging of the prescription only medicine is labelled to show—

- (a) the date on which the prescription only medicine is sold or supplied;
- (b) the name, quantity and (unless apparent from the name) the pharmaceutical strength of the prescription only medicine;

- (c) the name of the person requesting the prescription only medicine;
- (d) the name and address of the registered pharmacy from which the prescription only medicine is sold or supplied; and
- (e) the words “Emergency Supply”.

(7) In this regulation “aerosol” means a product that is dispersed from its container by a propellant gas or liquid.

Emergency sale etc by pharmacist: pandemic diseases

226.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a person lawfully conducting a retail pharmacy business if conditions A and B are met.

(2) Condition A is that the supply is made whilst a disease is, or in anticipation of a disease being imminently,—

- (a) pandemic; and
- (b) a serious risk, or potentially a serious risk, to human health.

(3) Condition B is that the pharmacist by or under whose supervision the prescription only medicine is to be sold or supplied is satisfied—

- (a) that treatment with the prescription only medicine has on a previous occasion been prescribed by a relevant prescriber for the person to be treated with it; and
- (b) as to the dose which in the circumstances it would be appropriate for that person to take.

Exemption for sale or supply in hospitals

227.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine—

- (a) in the course of the business of a hospital; and
- (b) for the purpose of being administered (in the hospital or elsewhere) to a particular person in accordance with directions that meet the conditions in paragraph (2).

(2) Those conditions are that the directions—

- (a) are in writing;
- (b) relate to the particular person to whom the prescription only medicine is to be administered; and
- (c) are given by a person who is an appropriate practitioner in relation to that prescription only medicine.

(3) But such directions may be given by a supplementary prescriber only where the supplementary prescriber complies with regulations 215 (prescribing and administration by supplementary prescribers) and 216 (exceptions to regulation 215) in relation to the directions as if they were a prescription.

(4) This regulation applies regardless of whether the directions comply with regulation 217 (requirements for prescriptions).

Exemptions relating to prescriptions given by certain health professionals

228.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a pharmacist where—

- (a) the sale or supply is in accordance with a prescription given by a person listed in paragraph (2) who is not an appropriate practitioner in relation to that prescription only medicine; but
 - (b) the pharmacist, having exercised all due diligence, believes on reasonable grounds that the person is such a practitioner.
- (2) Those persons are—
- (a) another pharmacist;
 - (b) a registered nurse;
 - (c) a registered midwife;
 - (d) a person whose name is entered in the part of the Health and Care Professions Council register relating to—
 - (i) chiropodists and podiatrists,
 - (ii) physiotherapists, or
 - (iii) radiographers: diagnostic or therapeutic; or
 - (e) a registered optometrist.
- (3) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a pharmacist where—
- (a) the sale or supply is in accordance with a prescription given by a supplementary prescriber; and
 - (b) the pharmacist, having exercised all due diligence, believes on reasonable grounds that the supplementary prescriber has complied with regulation 215.

Exemption for supply by national health service bodies

229.—(1) Regulations 214(1), 220 and 221 do not apply to the supply of a medicinal product in accordance with condition A or B by—

- (a) the Common Services Agency;
- (b) a health authority or special health authority;
- (c) an NHS trust;
- (d) an NHS foundation trust;
- (e) a Primary Care Trust; or
- (f) a person who is not a doctor, dentist or person lawfully conducting a retail pharmacy business, where the person supplies the product pursuant to an arrangement with one of the persons specified in paragraphs (a) to (e).

(2) Condition A is that the product is supplied for the purpose of being administered to a person in accordance with the written directions of a doctor, dentist, nurse independent prescriber, optometrist independent prescriber or pharmacist independent prescriber relating to that person, regardless of whether the directions comply with regulation 217 (requirements for prescriptions).

(3) Condition B is that—

- (a) the product is supplied for the purpose of being administered to a person in accordance with a patient group direction (“PGD”);
- (b) the PGD relates to the supply of a description or class of medicinal product by the person by whom the medicinal product is supplied and has effect at the time at which it is supplied;
- (c) the PGD contains the particulars specified in Part 1 of Schedule 16;

- (d) the PGD is signed on behalf of the person specified in column 2 of the table in Part 2 of that Schedule (“the authorising person”) against the entry in column 1 of that table for the class of person by whom the product is supplied;
- (e) the individual who supplies the product—
 - (i) belongs to one of the classes of individual specified in Part 4 of that Schedule, and
 - (ii) is designated in writing, on behalf of the authorising person, for the purpose of the supply or administration of products under the PGD; and
- (f) when the product is supplied, a marketing authorisation, Article 126a authorisation, certificate of registration or traditional herbal registration is in force in relation to it.

Exemption for supply etc under a PGD to assist doctors or dentists

230.—(1) Regulations 214, 220 and 221 do not apply to the supply or administration of a medicinal product by an individual belonging to one of the classes specified in Part 4 of Schedule 16 where—

- (a) the individual supplies or (as the case may be) administers the product to assist a doctor in the provision of NHS primary medical services or a dentist in the provision of NHS primary dental services;
- (b) the product is supplied for the purpose of being administered to a person in accordance with a patient group direction (“PGD”); and
- (c) the following conditions are met.

(2) Condition A is that the PGD relates to the supply or (as the case may be) administration of a description or class of medicinal product in order to assist the doctor or dentist in providing the services (whether or not it relates to such supply in order to assist any other doctor or dentist).

(3) Condition B is that the PGD has effect at the time at which the product is supplied or (as the case may be) administered.

(4) Condition C is that the PGD contains the particulars specified in Part 1 of Schedule 16 (but with the omission of paragraph 4 in the case of a PGD relating to administration only).

(5) Condition D is that the PGD is signed—

- (a) by the doctor or dentist; or
- (b) where it also relates to supply or administration to assist one or more other doctors or dentists, by one of those doctors or dentists.

(6) Condition E is that the PGD is signed—

- (a) in the case of—
 - (i) NHS primary medical services, or
 - (ii) NHS primary dental services in England or Wales,on behalf of the health authority or Primary Care Trust with which a contract or agreement for the provision of those services has been made or which provides those services;
- (b) in the case of dental services in Scotland under the National Health Service (Scotland) Act 1978(29), or general dental services in Northern Ireland, on behalf of the health authority with which an arrangement for the provision of those services has been made; and
- (c) in the case of personal dental services provided under a pilot scheme in Scotland or Northern Ireland, on behalf of the health authority which is a party to the pilot scheme.

(7) Condition F is that the individual supplying the product is designated in writing for the purpose of the supply or (as the case may be) administration of medicinal products under the PGD—

- (a) by the doctor or dentist; or
- (b) where it also relates to supply to assist one or more other doctors or dentists, by one of those doctors or dentists.

(8) Condition G is that when the product is supplied or (as the case may be) administered, a marketing authorisation, Article 126a authorisation, certificate of registration or traditional herbal registration is in force in relation to it.

Exemption for supply etc under a PGD by independent hospitals etc

238. Regulation 214(2) does not apply to the administration of a prescription only medicine specified in Schedule 19 where this is for the purpose of saving life in an emergency.

Administration of smallpox vaccine

239.—(1) Regulation 214(2) does not apply to the administration of smallpox vaccine if condition A or B is met.

(2) Condition A is that—

(a) the vaccine has been supplied by, on behalf of, or under arrangements made by—

(i) the Secretary of State,

(ii) the Scottish Ministers,

(iii) the Welsh Ministers,

(iv) the Department of Health, Social Services and Public Safety, or

(v) an NHS body; and

(b) the vaccine is administered for the purpose of providing protection against smallpox virus in the event of a suspected or confirmed case of smallpox in the United Kingdom.

(3) Condition B is that—

(a) the vaccine has been supplied by, on behalf of, or under arrangements made by, Her Majesty's Forces; and

(b) the vaccine is administered for the purpose of providing protection against smallpox virus to members of Her Majesty's Forces or other persons employed or engaged by them.

Radioactive medicinal products

240.—(1) Regulation 214(2) does not apply to—

(a) a radioactive medicinal product, administration of which results in a medical exposure; or

(b) any other prescription only medicine if it is being administered in connection with a medical exposure,

if the following conditions are met.

(2) Condition A is that the prescription only medicine is administered by an operator acting in accordance with the procedures and protocols referred to in regulation 4(1) and (2) of the Ionising Radiation (Medical Exposure) Regulations 2000(33) which apply to the exposure.

(3) Condition B is that the medical exposure has been authorised by—

(a) an IRME practitioner; or

(b) where it is not practical for an IRME practitioner to authorise the exposure, by an operator acting in accordance with written guidelines issued by an IRME practitioner.

(4) Condition C is that the IRME practitioner mentioned in paragraph (a) or (b) of paragraph (3) is the holder of a certificate granted pursuant to the Medicines (Administration of Radioactive Substances) Regulations 1978(34).

(5) Condition D is that the prescription only medicine is not a controlled drug.

(6) Condition E is that, in the case of a prescription only medicine that is not a radioactive medicinal product, it is specified in the protocols referred to in paragraph (2).

(33) S.I. 2000/1059, as amended by S.I. 2006/2523.

(34) S.I. 1978/1006.

(7) In this regulation—

“IRME practitioner” means, in relation to a medical exposure, a practitioner for the purposes of the Ionising Radiation (Medical Exposure) Regulations 2000;

“medical exposure” has the same meaning as in the Ionising Radiation (Medical Exposure) Regulations 2000; and

“radioactive medicinal product” means a medicinal product which consists of, contains or generates a radioactive substance so that, when the product is administered, the radiation it emits may be used.

Exemptions in respect of certain herbal remedies

241.—(1) Regulations 220 and 221 do not apply to the sale or supply, or offer for sale or supply by a person (“A”) of a herbal medicinal product if—

- (a) the product does not contain a substance listed in Part 1 of Schedule 20;
- (b) the product does not contain a substance listed in column 1 of Part 2 of that Schedule, unless the product is sold or supplied—
 - (i) in the case of a product for which there is a corresponding entry in column 2 of that Part, in or from containers or packages labelled to show a dose not exceeding the maximum dose or maximum daily dose specified in that entry, and
 - (ii) in the case of a product for which there is a corresponding entry in column 3 of that Part, with the percentage of the substance in the product not exceeding that specified in that entry;
- (c) the sale or supply, or offer for sale or supply, takes place on premises occupied by A and from which A can exclude the public; and
- (d) the product is for administration to a person (“B”) and A has been requested by or on behalf of B and in B’s presence to use A’s judgment as to the treatment required.

(2) A reference in this regulation to a substance listed in either Part of Schedule 20 is a reference to a substance that is obtained from any botanical source listed in either Part.

Exemption for medicinal products at high dilution

242.—(1) Regulations 220 and 221 do not apply to the sale or supply, or offer for sale or supply by a person (“P”) of a medicinal product if—

- (a) the medicinal product is neither for parenteral administration nor a controlled drug;
- (b) paragraph (2) applies to the medicinal product; and
- (c) P has been requested by or on behalf of a particular person and in that person’s presence to use P’s own judgment as to the treatment required.

(2) This paragraph applies to a medicinal product that consists solely of one or more unit preparations of—

- (a) any substance where the unit preparation has been diluted to at least one part in a million (6x);
- (b) any substance that is listed in Part 1 of Schedule 21 where the unit preparation has been diluted to at least one part in a thousand (3x); or
- (c) any substance that—
 - (i) is the active substance of a medicine that is subject to general sale;
 - (ii) is listed in Part 3 of Schedule 21; or

(iii) in the case of a medicinal product for external use only, is listed in Part 4 of Schedule 21,

where the unit preparation has been diluted to at least one part in ten (1x).

(3) Regulation 220 does not apply to the sale, supply, or offer for sale or supply by a person of a medicinal product if—

- (a) the medicinal product is neither for parenteral administration nor a controlled drug;
- (b) paragraph (4) applies to the medicinal product; and
- (c) the conditions in regulation 221 are met.

(4) This paragraph applies to a medicinal product that consists solely of one or more unit preparations of—

- (a) any substance where the unit preparation has been diluted to at least one part in a million million (6c);
- (b) any substance that is listed in Part 2 of Schedule 21 where the unit preparation has been diluted to at least one part in a million (6x); or
- (c) any substance that—
 - (i) is the active substance of a medicine that is subject to general sale;
 - (ii) is listed in Part 3 of Schedule 21; or
 - (iii) in the case of a medicinal product for external use only, is listed in Part 4 of Schedule 21,

where the unit preparation has been diluted to at least one part in ten (1x).

Exemption for certain homoeopathic medicinal products

243.—(1) Regulations 220 and 221 do not apply to the sale or supply, or offer for sale or supply by a person (“P”) of a medicinal product if—

- (a) a certificate of registration is in force in relation to the product;
- (b) the product is not an excluded product; and
- (c) P has been requested by or on behalf of a particular person and in that person’s presence to use P’s own judgment as to the treatment required.

(2) Regulation 220 does not apply to the sale or supply, or offer for sale or supply by a person (“P”) of a medicinal product if—

- (a) a certificate of registration is in force in relation to the product;
- (b) the product is not an excluded product; and
- (c) the conditions in regulation 221 are met.

(3) In this regulation “excluded product” means a product that is promoted, recommended or marketed—

- (a) for use as an anthelmintic;
- (b) for parenteral administration;
- (c) for use as eye drops;
- (d) for use as an eye ointment;
- (e) for use as an enema;
- (f) for use wholly or mainly for irrigation of wounds or of the bladder, vagina or rectum; or
- (g) for administration wholly or mainly to children being a preparation of aloxiprin or aspirin.

Other exemptions

Exemption in cases involving another's default

244.—(1) Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a person if the person, having exercised all due diligence, believes on reasonable grounds that the product is not a prescription only medicine.

(2) Regulation 220 does not apply to the sale or supply, or offer for sale or supply of a medicinal product by a person if—

- (a) the person, having exercised all due diligence, believes on reasonable grounds that the product is subject to general sale;
- (b) that belief is due to the act or default of another person; and
- (c) the conditions in regulation 221 are met in relation to the sale or supply, or offer for sale or supply of the product.

Exemption in case of forged prescription

245. Regulation 214(1) does not apply to the sale or supply of a prescription only medicine by a pharmacist in accordance with a forged prescription if the pharmacist, having exercised all due diligence, believes on reasonable grounds that the prescription is genuine.

Exemption where requirements for prescriptions not met

246. Regulation 214(1) does not apply to the sale or supply of a prescription only medicine otherwise than in accordance with a prescription given by an appropriate practitioner if—

- (a) the sale or supply is otherwise than in accordance with such a prescription because a condition in regulation 217, 218 or 219 is not met; and
- (b) the person selling or supplying the prescription only medicine, having exercised all due diligence, believes on reasonable grounds that the condition is met.

Exemption for supply in the event or anticipation of pandemic disease

247.—(1) Regulations 214(1), 220 and 221 do not apply to the supply of a medicinal product that meets the following conditions.

(2) Condition A is that the supply is made whilst a disease is, or in anticipation of a disease being imminently—

- (a) pandemic; and
- (b) a serious risk, or potentially a serious risk, to human health.

(3) Condition B is that the supply is in accordance with a protocol that—

- (a) is approved by the Ministers, an NHS body or the Health Protection Agency;
- (b) specifies the symptoms of and treatment for the disease; and
- (c) contains requirements as to the recording of—

- (i) the name of the person who supplies the product to the person to be treated (“the patient”) or to a person acting on the patient’s behalf, and
- (ii) evidence that the product was supplied to the patient or to a person acting on the patient’s behalf.

Exemption for certain collection and delivery arrangements

248.—(1) Regulations 220 and 221 do not apply to the supply of a medicinal product on premises that are not a registered pharmacy where the supply—

- (a) is in accordance with a prescription issued by a doctor, dentist, nurse independent prescriber, pharmacist independent prescriber or optometrist independent prescriber; and
- (b) forms part of a collection and delivery arrangement used by a person who lawfully conducts a retail pharmacy business.

(2) In this regulation “collection and delivery arrangement” means an arrangement whereby a person may—

- (a) take or send a prescription given by a doctor, dentist, nurse independent prescriber, pharmacist independent prescriber or optometrist independent prescriber to premises other than a registered pharmacy and which are capable of being closed by the occupier to exclude the public; and
- (b) collect or have collected on his or her behalf from such premises a medicinal product prepared or dispensed in accordance with such a prescription at a registered pharmacy by or under the supervision of a pharmacist.

CHAPTER 4**Miscellaneous provisions, offences and disqualification***Miscellaneous provisions***Restrictions on persons to be supplied with medicinal products**

249.—(1) The holder of an authorisation of the kind referred to in paragraph (2) may not sell a prescription only medicine or a pharmacy medicine by way of wholesale dealing to a person who does not fall within a class specified in Schedule 22.

(2) Those authorisations are—

- (a) a marketing authorisation;
- (b) a certificate of registration;
- (c) a traditional herbal registration; and
- (d) an Article 126a authorisation.

(3) A person may not, in the course of a business consisting (wholly or partly) of manufacturing medicinal products or of selling medicinal products by way of wholesale dealing, sell a prescription only medicine or a pharmacy medicine by way of wholesale dealing to a person who does not fall within a class specified in Schedule 22.

(4) This regulation is subject to regulation 250.

Exceptions to regulation 249

250.—(1) This regulation makes provision for exceptions to regulation 249.

(2) A person may sell by way of wholesale dealing a pharmacy medicine which is for the purpose of being administered to human beings in the course of a business to any person carrying on such a business.

(3) A person may sell by way of wholesale dealing a pharmacy medicine to which a general sale exemption applies to any person who by virtue of that exemption may sell the pharmacy medicine

by retail, or supply it in circumstances corresponding to retail sale, otherwise than by or under the supervision of a pharmacist.

(4) In paragraph (3) “general sale exemption” means an exemption from regulation 220 conferred by a provision of Chapter 3.

(5) A person may sell by way of wholesale dealing to a person specified in column 1 of Parts 1 to 3 of Schedule 17 a prescription only medicine specified in relation to that person in column 2 of Parts 1 to 3 of that Schedule.

(6) A person may sell by way of wholesale dealing to a registered optometrist a product that is a prescription only medicine by reason only that it contains one or more of the following substances—

- (a) amethocaine hydrochloride;
- (b) lidocaine hydrochloride;
- (c) oxybuprocaine hydrochloride; or
- (d) proxymetacaine hydrochloride.

(7) A person may sell by way of wholesale dealing to an additional supply optometrist a product that is a prescription only medicine by reason only that it contains thymoxamine hydrochloride.

(8) A person may sell by way of wholesale dealing to a registered dispensing optician a prescription only medicine that—

- (a) is required for use by a registered optometrist or doctor attending the optician’s practice; and
- (b) contains one or more of the following substances—
 - (i) amethocaine hydrochloride,
 - (ii) chloramphenicol,
 - (iii) cyclopentolate hydrochloride,
 - (iv) fusidic acid,
 - (v) lidocaine hydrochloride,
 - (vi) oxybuprocaine hydrochloride,
 - (vii) proxymetacaine hydrochloride, and
 - (viii) tropicamide.

(9) A person may sell by way of wholesale dealing to a registered dispensing optician a prescription only medicine that—

- (a) is required for use by the optician in the course of a professional practice as a contact lens specialist; and
- (b) contains one or more of the following substances—
 - (i) lidocaine hydrochloride,
 - (ii) oxybuprocaine hydrochloride, and
 - (iii) proxymetacaine hydrochloride.

(10) In this regulation—

“additional supply optometrist” means a person who is registered as an optometrist, and against whose name particulars of the additional supply speciality have been entered in the relevant register;

“contact lens specialist” means a person who is a registered dispensing optician and against whose name particulars of the contact lens speciality have been entered in—

- (a) the register of dispensing opticians maintained under section 7(b) of the Opticians Act 1989; or
- (b) the register of visiting dispensing opticians from relevant European States maintained under section 8B(1)(b) of that Act.

Compliance with standards specified in certain publications

251.—(1) A person may not sell a medicinal product that has been demanded by the purchaser by, or by express reference to, a particular name if—

- (a) the name is a name at the head of the relevant monograph; and
- (b) the product does not comply with the standard specified in that monograph.

(2) A person may not sell or supply a medicinal product in pursuance of a prescription given by a doctor or dentist in which the product required is described by, or by express reference to, a particular name if—

- (a) the name is a name at the head of the relevant monograph; and
- (b) the product does not comply with the standard specified in that monograph.

(3) A person may not sell or supply a medicinal product that has been offered or exposed for sale by, or by express reference to, a particular name if—

- (a) the name is a name at the head of the relevant monograph; and
- (b) the product does not comply with the standard specified in that monograph.

(4) If the particular name referred to in paragraph (1), (2) or (3) is that of an active ingredient of the product, the product does not comply with the standard specified in the relevant monograph if, in so far as it consists of that ingredient, it does not comply with that standard.

(5) See regulation 252 for the meaning of certain expressions used in this regulation.

Compliance with standards specified in certain publications: supplementary

252.—(1) Where, together with the particular name specified as described in paragraph (1), (2) or (3) of regulation 251, there was specified a particular edition of a particular publication, “the relevant monograph” in that paragraph means—

- (a) the monograph (if any) headed by the name in that edition; or
- (b) if there is no such monograph, the appropriate current monograph (if any) headed by that name.

(2) Where, together with the particular name specified as described in paragraph (1), (2) or (3) of regulation 251, there was specified a particular publication, but not an edition of that publication, “the relevant monograph” in that paragraph means—

- (a) the monograph (if any) headed by the name in the current edition; or
- (b) if there is no monograph of the kind mentioned in sub-paragraph (a), the appropriate current monograph (if any) headed by that name; or
- (c) if there is no monograph of the kinds mentioned in sub-paragraphs (a) or (b), the monograph headed by that name in the latest edition of the specified publication that contained a monograph headed by that name.

(3) Where no publication was specified with the particular name specified as described in paragraph (1), (2) or (3) of regulation 251, “the relevant monograph” in that paragraph means the appropriate current monograph (if any).

(4) In this regulation “publication” means—

- (a) the British Pharmacopoeia; or
 - (b) a compendium published under Part 15 (British Pharmacopoeia).
- (5) In this regulation “current” means current at the time when the medicinal product is demanded, described in a prescription or offered or exposed for sale (as the case may be).
- (6) In this regulation “the appropriate current monograph”, in relation to a particular name, means—
- (a) the monograph (if any) headed by that name in the current edition of the British Pharmacopoeia; or
 - (b) if there is no such monograph, the monograph (if any) headed by that name in the current edition of a compendium published under Part 15 (British Pharmacopoeia).
- (7) For the purposes of regulation 251 and this regulation, any monograph in an edition of a publication must be construed in accordance with any general monograph or notice, or any appendix, note or other explanatory material, that is contained in that edition and applies to that monograph.

Pharmacy records

253.—(1) A person lawfully conducting a retail pharmacy business must, in respect of every sale or supply of a prescription only medicine, make or cause to be made an entry in a written or computerised record kept for that purpose.

- (2) An entry required by paragraph (1)—
- (a) must state the particulars specified in Schedule 23; and
 - (b) subject to paragraph (3), must be made—
 - (i) on the day of the sale or supply, or
 - (ii) if that is not reasonably practicable, on the day following that day.
- (3) Where the sale or supply is made under regulation 224 (emergency sale etc by pharmacist: prescriber unable to provide prescription), the particulars specified in paragraph 2(e) and (f) of Schedule 23 may be entered on the day that the prescription is received.
- (4) Paragraphs (1) to (3) do not apply if any of the following apply—
- (a) the sale or supply is in pursuance of a health prescription or a prescription for oral contraceptives;
 - (b) a separate record of the sale or supply is made in accordance with the Misuse of Drugs Regulations 2001 or the Misuse of Drugs Regulations (Northern Ireland) 2002;
 - (c) the sale is by way of wholesale dealing and the order or invoice relating to the sale or a copy of the order or invoice is retained by the person lawfully conducting the retail pharmacy business who makes the sale;
 - (d) in Scotland, the sale or supply is to a doctor for use in the circumstances referred to in paragraph 45 of Schedule 5 to the National Health Service (General Medical Services Contracts) (Scotland) Regulations 2004⁽³⁵⁾ (provision of drugs, medicines and appliances for immediate treatment or personal administration);
 - (e) in Northern Ireland, the sale or supply is to a doctor for use in the circumstances referred to in paragraph 47 of Schedule 5 to the Health and Personal Social Services (General Medical Services Contracts) Regulations (Northern Ireland) 2004⁽³⁶⁾ (provision of drugs, medicines and appliances for immediate treatment or personal administration).

⁽³⁵⁾ S.S.I. 2004/115

⁽³⁶⁾ S.R. (NI) 2004 No. 140.

- (5) A person lawfully conducting a retail pharmacy business must preserve for a period of two years beginning immediately after the relevant date—
- (a) the record kept under paragraphs (1) to (3);
 - (b) a prescription in pursuance of which a prescription only medicine has been sold or supplied other than—
 - (i) a health prescription, or
 - (ii) a prescription for a controlled drug;
 - (c) an order or invoice referred to in paragraph (4)(c) or a copy of the order or invoice; and
 - (d) orders referred to in column 3 of Parts 1 to 3 of Schedule 17, except orders referred to in paragraph 3 of Part 1 of that Schedule.
- (6) In paragraph (5) “the relevant date” means—
- (a) in relation to sub-paragraph (a), the date on which the last entry is made in the record;
 - (b) in relation to sub-paragraphs (b), (c) and (d)—
 - (i) where the prescription only medicine was sold or supplied in accordance with a repeatable prescription, the date of the final sale or supply pursuant to that prescription, and
 - (ii) otherwise, the date on which the prescription only medicine was sold or supplied.

Prohibitions concerning traceability of treatment with advanced therapy medicinal products

254.—(1) A person may not treat a patient with an advanced therapy medicinal product if there is not a system in place for patient and product traceability in relation to such treatment containing sufficient detail to enable the linking of the product to the patient who received it and vice versa.

(2) A person may not treat a patient with an advanced therapy medicinal product if the treatment involves a product which contains human cells or tissues and the traceability system referred to in paragraph (1) is not complementary to, and compatible with, the requirements laid down in—

- (a) Articles 8 and 14 of Directive 2004/23/EC, as regards human cells and tissues other than blood cells; and
- (b) Articles 14 and 24 of Directive 2002/98/EC, as regards blood cells.

(3) It is a defence to an offence of breach of paragraph (1) or, as the case may be, paragraph (2) if the person who treats a patient was assured in writing before the treatment was given that a system of traceability as described in paragraph (1) or, as the case may be, paragraph (2) was in place in relation to the treatment given by that person.

(4) A person may not give an assurance in writing to a person (“P”) who treats a patient with an advanced therapy medicinal product that a system of traceability as described in paragraph (1) or paragraph (2) is in place in relation to treatment with an advanced therapy medicinal product given by P if no such system is in place.

Offences relating to dealings with medicinal products

255.—(1) A person is guilty of an offence if the person breaches any of the following provisions of this Part—

- (a) regulation 214(1) (prohibition on sale etc of prescription only medicine otherwise than in accordance with prescription from appropriate practitioner);
- (b) regulation 214(2) (prohibition on parenteral administration of prescription only medicine otherwise than by or under directions of appropriate practitioner);

- (c) regulation 220 (prohibition on sale etc of medicinal product not subject to general sale otherwise than by or under supervision of pharmacist);
 - (d) regulation 249 (prohibition on sale of prescription only medicine or pharmacy medicine by way of wholesale dealing to person not within Schedule 22);
 - (e) regulation 251 (compliance with standards specified in certain publications); or
 - (f) regulation 254 (prohibitions concerning traceability of treatment with advanced therapy medicinal products).
- (2) A person is guilty of an offence if the person—
- (a) is an appropriate practitioner by virtue of regulation 214; and
 - (b) gives a prescription or directions in respect of a medicinal product in relation to which the person is not an appropriate practitioner.
- (3) A person is guilty of an offence if the person gives a prescription or directions or administers a medicinal product without meeting the conditions for doing so that apply to that person by virtue of regulation 215 (conditions to be met by supplementary prescriber).
- (4) A person (“P”) is guilty of an offence if—
- (a) P has in P’s possession a medicinal product to which regulation 214(1) applies; and
 - (b) P intends to supply it otherwise than in accordance with a prescription of an appropriate practitioner.
- (5) A person guilty of an offence under any of paragraphs (1) to (4) is liable—
- (a) on summary conviction to a fine not exceeding the statutory maximum; or
 - (b) on conviction on indictment to a fine, to imprisonment for a term not exceeding two years, or to both.
- (6) A person is guilty of an offence if the person breaches—
- (a) regulation 221 (prohibition on sale of medicinal product subject to general sale otherwise than in accordance with that regulation); or
 - (b) regulation 222 (prohibition on sale by automatic machine of medicinal product not subject to general sale).
- (7) A person guilty of an offence under paragraph (6) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (8) A person is guilty of an offence if the person breaches regulation 253 (record-keeping requirements for persons carrying on a retail pharmacy business).
- (9) A person guilty of an offence under paragraph (8) is liable on summary conviction to a fine not exceeding £400.

Disqualification

Disqualification on conviction

256.—(1) A court before which a person (“P”) is convicted of any offence under regulation 255(8) may order that P is disqualified from using the premises where that offence was committed for a period not exceeding 2 years if the following conditions are met.

(2) Condition A is that the offence was committed in a retail pharmacy business.

(3) Condition B is that the period of disqualification relates to the future use of the premises as a retail pharmacy business.

(4) Condition C is that the enforcement authority has made an application to the court for such an order.

(5) Condition D is that the court thinks it appropriate to grant an order having regard—

- (a) to the gravity of the offence of which P has been convicted as mentioned in the preceding subsection;
- (b) to the unsatisfactory nature of the premises; or
- (c) to any offences under regulation 255(8) of which P has previously been convicted.

(6) Condition E is that the enforcement authority has not less than 14 days before the date of the hearing given P notice in writing of their intention to apply for such an order.

(7) If P uses the premises in respect of which an order under this regulation is in force for the purposes of a retail pharmacy business, P shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(8) At any time after the end of the period of six months beginning with the date on which an order under this regulation comes into force, P may apply to the court to revoke the order or to vary it by reducing the period of disqualification.

(9) On any application made under paragraph (8) of this regulation the court may—

- (a) revoke or vary the order if it thinks it proper to do so having regard to all the circumstances of the case, including in particular the conduct of the applicant and any improvement in the state of the premises to which the order relates; or
- (b) refuse to revoke or vary the order.

(10) If an application made by P under paragraph (8) is refused, no further application under that paragraph may be made within the period of three months beginning with the date of the refusal.

(11) The court determining an application under this regulation shall have power to order the applicant to pay the whole or any part of the costs of the application.

(12) In the application of this regulation to Scotland, for reference to an enforcement authority and to costs there shall be substituted respectively references to the procurator fiscal and to expenses.
