**The Quality Standards for Green Bananas
(England and Wales) Regulations 2012**

<i>Made</i>	- - - -	<i>21st March 2012</i>
<i>Laid before Parliament</i>		<i>29th March 2012</i>
<i>Coming into force</i>	- -	<i>11th May 2012</i>

These Regulations are made in exercise of the powers conferred by section 2(2) of, and paragraph 1A of Schedule 2 to, the European Communities Act 1972⁽¹⁾.

The Secretary of State is a Minister designated⁽²⁾ for the purposes of section 2(2) of the European Communities Act 1972 in relation to the common agricultural policy of the European Union.

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972, and it appears to the Secretary of State that it is expedient for any reference in these Regulations to Commission Implementing Regulation (EU) No 1333/2011 laying down marketing standards for bananas, rules on the verification of compliance with those marketing standards and requirements for notifications in the banana sector⁽³⁾ to be construed as a reference to that instrument as amended from time to time.

There has been open and transparent public consultation during the preparation of these Regulations as required by Article 9 of Regulation (EC) No 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety⁽⁴⁾.

Accordingly, the Secretary of State makes the following Regulations.

(1) 1972 c. 68. Paragraph 1A was inserted into Schedule 2 by section 28 of the Legislative and Regulatory Reform Act 2006 (c. 51). The European Union (Amendment) Act 2008 (c. 7) amended the 1972 Act to reflect changes in terminology arising from the Treaty of Lisbon.

(2) S.I. 1972/1811. The power of the Secretary of State to make regulations in relation to Wales remains exercisable by virtue of article 6(1) of the European Communities (Designation) (No.5) Order 2010 (S.I. 2010/2690).

(3) OJ No L 336, 20.12.2011, p 23.

(4) OJ No L 31, 1.2.2002, p 1, as last amended by OJ No L 188, 18.7.2009, p 14.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for the enforcement in England and Wales of EU marketing standards for bananas set out in Commission Implementing Regulation (EU) No 1333/2011 laying down marketing standards for bananas, rules on the verification of compliance with those marketing standards and requirements for notifications in the banana sector (OJ No L 336, 20.12.2011, p 23).

Annex I of the Commission Regulation sets out detailed requirements relating to quality, size, presentation and marking of bananas at the “un-ripened green stage” of marketing after preparation and packaging where the bananas are intended for supply fresh to the consumer.

The marketing standards are applicable to bananas falling within CN code 0803 00, excluding plantains, fig bananas and bananas intended for processing, and apply to bananas originating in third countries at the stage of release for free circulation, to bananas originating in the EU at the stage of first landing at a Community port, and to bananas delivered fresh to the consumer in the producing region at the stage of leaving the packing shed.

These Regulations designate the Secretary of State as the competent national authority for England and Wales and provide for the Secretary of State to provide information and to appoint authorised officers (regulation 3).

Under regulation 4, it is an offence to fail to comply with Article 7 of the Commission Regulation, a written undertaking, a movement control notice or a warning notice. It is also an offence under that regulation to intentionally obstruct an authorised officer or to fail to give information or to give false information to an authorised officer. Regulation 5 sets out the maximum penalty for an offence under the Regulations.

Regulation 6 provides authorised officers with powers to enter premises, other than dwellings, and with the power to apply for a warrant to enable entry (including to dwellings). Regulation 7 confers powers on authorised officers to enable inspections and effective enforcement including seizure powers and requires authorised officers to fulfil certain duties in relation to certain items seized. Regulations 8 to 11 confer powers on authorised officers to affix labels indicating various types of non-compliance with respect to the marketing standards. Regulation 12 prescribes certain information to be contained in those labels.

Authorised officers are also given powers to accept written undertakings (regulation 13) and to issue warning notices and movement control notices - the latter to prohibit or restrict the movement of bananas (regulations 14 and 15). Regulations 16 and 17 detail requirements, including procedural requirements, relevant to notices.

Regulation 18 provides a right of review to those served with a notice.

Regulations 19 and 20 contain provisions relating to the commission of an offence due to the fault of another person and to the commission of offences by bodies corporate etc.

Regulation 21 requires the Secretary of State to review the operation and effect of these Regulations and to publish a report within five years after the Regulations come into force and within every five years after that. Following a review it will fall to the Secretary of State to consider whether the Regulations should remain as they are, or be revoked or amended. A further instrument would be needed to revoke the Regulations or to amend them.

Regulation 22 disapplies certain Acts in England and Wales in respect of bananas.
