

SCHEDULE 1

Authorised project

PART 3

Requirements

Ecological and landscape management plan

28.—(1) No stage of the connection works outside the South Downs National Park shall commence until a written ecological and landscape management plan for the connection works outside the South Downs National Park (which accords with the outline ecological and landscape management plan) reflecting the survey results and ecological mitigation and enhancement measures, and taking into account landscape reinstatement, included in the environmental statement has been submitted to and approved in writing by West Sussex County Council in consultation with Natural England.

(2) The ecological and landscape management plan shall contain in particular—

- (a) a hedgerows management plan, which shall include proposals for replacement of any hedgerows or important hedgerows to be removed pursuant to article 37(4) (felling or lopping of trees and removal of hedgerows) and shall accord with the principles set out in the outline hedgerows management plan; and
- (b) an arboricultural method statement which shall include proposals for replacement of any tree to be felled pursuant to article 37(1) (felling or lopping of trees and removal of hedgerows) or article 38(1) (trees subject to tree preservation orders) and shall accord with the principles set out in the outline arboricultural method statement.

(3) The plan shall include an implementation timetable and shall be carried out as approved.
