The Commons Registration (England) Regulations 2014

PART 2

The Registers

Register map overlays

11.—(1) This regulation applies where it appears to a registration authority that it would be impracticable or confusing to include on one surface all the details required to be shown on a register map or any sheet of a register map.

(2) The authority may prepare one or more transparent overlays for the map or sheet, and may show on such an overlay, instead of on the map or sheet itself, the details, or some of the details, required to be shown by virtue of items 3, 4 and 6 of the table in regulation 10(2).

(3) Every such overlay must be fastened to the original register map or sheet so that the details on the overlay coincide with those on the original, but so that it may be lifted away to enable either the original alone, or the original and any other overlay fastened to the original, to be inspected.

(4) Every overlay prepared under this regulation forms part of the register map.
