

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 13

Signs only for use in temporary situations

PART 11

Warning lights

7. A person that, but for this paragraph, is not authorised to place a warning light is authorised to do so for the purpose of warning traffic of a temporary obstruction in the road, other than one caused by the carrying out of works.
