

## SCHEDULE 14

Signs for traffic control by light signals, signs for crossings, and signs for lane control

### PART 6

#### The Schedule 14 General Directions

**34.**—(1) Subject to sub-paragraph (2), the road marking may only be placed in conjunction with the traffic light signals provided for at item 1 together with—

- (a) the marking provided for at item 55 or 56 (marks to show a suitable place for crossing); and
- (b) the light signals provided for at item 9, 13 (whether or not used in conjunction with the light signals provided for at item 14), 15, 17 (whether or not used in conjunction with the light signals provided for at item 18), 19 or 21 (whether or not used in conjunction with the light signals provided for at item 22).

(2) The road marking may be placed in conjunction with the traffic light signals provided for at item 2 (portable traffic light signals), together with the light signals provided for at item 9 or 13 and the marking provided for at item 55 as part of a portable signal-controlled pedestrian facility where all streams of vehicular traffic are stopped only for the purpose of enabling pedestrians to cross the carriageway in conjunction with the traffic light signals.
