

SCHEDULE 4

Upright signs that control waiting, loading and parking along a road

PART 2

On-street parking control signs

Signs consisting of multiple panels

19.—(1) This paragraph applies to all signs provided for in the sign tables in Parts 3, 4 and 5 except those for conveying a description in column 2 at—

- (a) items 5 to 10 of the sign table in Part 3; and
- (b) item 8 of the sign table in Part 4.

(2) A panel that would otherwise be a single sign in accordance with this Schedule may instead form part of a sign made up of at least two panels where each of the panels would otherwise be a single sign in accordance with this Schedule.

(3) The reference to a panel in sub-paragraph (2) is to the panel shown in blank diagram 1 or 2 in Part 1.

(4) This paragraph applies to a sign whether or not panels are included in accordance with paragraph 20 or 21.
