2016 No. 618

The Private Water Supplies (England) Regulations 2016

PART 4

Action in the event of failure

Provision of information

15. If a local authority considers that a private water supply in its area is a potential danger to human health, it must promptly take appropriate steps to ensure that people likely to consume water from it—

- (a) are informed that the supply constitutes a potential danger to human health,
- (b) where possible, are informed of the nature of the potential danger, and
- (c) are given advice to allow them to minimise any potential danger.
