2017 No. 1008

The Electronic Communications Code
(Transitional Provisions) Regulations 2017

Application of the electronic communications code, etc.

4. Anything done under or for the purposes of sections 106 to 119 of the Act in relation to the existing code, and in force or effective immediately before the repeal of the existing code comes into force, has effect after the new code comes into force as if done under or for the purposes of those sections in relation to the new code.
