(10) In any action against Network Rail in respect of loss or damage resulting from any failure by it to maintain the new footpath or bridleway, it is a defence (without affecting any other defence or the application of the law relating to contributory negligence) to prove that Network Rail had taken such care as in all the circumstances was reasonably required to secure that the part of the new footpath or bridleway to which the action relates was not dangerous to traffic.

(11) For the purposes of a defence under paragraph (10), the court must in particular have regard to the following matters—

- (a) the character of the new footpath or bridleway and the use which was reasonably expected to be made of it;
- (b) the standard of maintenance appropriate for a footpath or bridleway of that character and so used;
- (c) the state of repair in which a reasonable person would have expected to find the new footpath or bridleway;
- (d) whether Network Rail knew, or could reasonably have been expected to know, that the condition of the part of the new footpath or bridleway to which the action relates was likely to cause danger to users of the new footpath or bridleway; and
- (e) where Network Rail could not reasonably have been expected to repair that part of the new footpath or bridleway before the cause of action arose, what warning notices of its condition had been displayed,

(c) S.I. 2018/937.

but for the purposes of such a defence it is not relevant to prove that Network Rail had arranged for a competent person to carry out or supervise the maintenance of the part of the new footpath or bridleway to which the action relates unless it is also proved that Network Rail had given the competent person proper instructions with regard to the maintenance of the new footpath or bridleway and that the competent person had carried out those instructions.

(12) A new footpath or bridleway is to be treated as completed to the satisfaction of the highway authority for the purpose of paragraph (1) if it fails to reply to a request for certification that the footpath or bridleway has been so completed within 28 days of receiving the request.

(2) In each case where a footpath has been redesignated, the redesignation is to have effect as if that footpath had been stopped up and immediately designated as a bridleway.

Compensation

Disregard of certain interests and improvements

15.—(1) In assessing the compensation payable to any person on the acquisition from that person of any land under this Order, the tribunal must not take into account—

- (a) any interest in land; or
- (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land,

if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.

(2) In paragraph (1) “relevant land” means the land acquired from the person concerned or any other land with which that person is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

Set-off for enhancement in value of retained land

16.—(1) In assessing the compensation payable to any person in respect of the acquisition from that person under this Order of any land (including the subsoil) the tribunal must set off against the value of the land so acquired any increase in value of any contiguous or adjacent land belonging to that person in the same capacity which will accrue to that person by reason of the construction of the authorised works.

(2) In assessing the compensation payable to any person in respect of the acquisition from that person of any new rights over land (including the subsoil) under article 13 (power to acquire new rights), the tribunal must set off against the value of the rights so acquired—

- (a) any increase in the value of the land over which the new rights are required; and
- (b) any increase in value of any contiguous or adjacent land belonging to that person in the same capacity,

which will accrue to him by reason of the construction of the authorised works.

(3) The 1961 Act has effect, subject to paragraphs (1) and (2), as if this Order were a local enactment for the purposes of that Act.

Supplementary

Extinction of private rights of way

17.—(1) Subject to the provisions of this article, all private rights of way over land subject to compulsory acquisition under this Order are extinguished—

- (a) as from the date of acquisition of the land by Network Rail, whether compulsorily or by agreement; or

(a) Section 13 was amended by sections 62(3), 139 and 146 of, and paragraphs 27 and 28 of Schedule 13, and Part 3 of Schedule 23, to, the Tribunals, Courts and Enforcement Act 2007 (c. 15).

- (b) on the date of entry on the land by Network Rail under section 11(1) (powers of entry) of the 1965 Act,

whichever is the sooner.

(2) Subject to the provisions of this article, all private rights of way over land owned by Network Rail and required for the purposes of this Order are extinguished on the appropriation of the land for any of those purposes by Network Rail.

(3) Any person who suffers loss by the extinguishment of any private right of way under this article is entitled to compensation to be determined, in case of dispute, under

(4) .

(5) This article does not apply in relation to any right of way to which section 271 or 272(a) (extinguishment of rights of statutory undertakers etc.) of the 1990 Act applies.

(6) Paragraphs (1) to (3) have effect subject to—

(a) any notice given by Network Rail before—

(i) the completion of the acquisition of the land;

(ii) Network Rail's appropriation of it; or

(iii) Network Rail's entry on to it,

that any or all of those paragraphs do not apply to any right of way specified in the notice; and

(b) any agreement made at any time between Network Rail and the person in or to whom the right of way in question is vested or belongs.

(7) If any such agreement as is referred to in paragraph (5)(b)—

(a) is made with a person in or to whom the right of way is vested or belongs; and

(b) is expressed to have effect also for the benefit of those deriving title from or under that person,

it is effective in respect of the persons so deriving title, whether the title was derived before or after the making of the agreement.

Time limit for exercise of powers of acquisition

18.—(1) After the end of the period of 5 years beginning with the day on which this Order comes into force—

(a) no notice to treat is to be served under Part 1 of the 1965 Act as applied to the acquisition of land by article 11 (application of Part 1 of the 1965 Act); and

(b) no declaration is to be executed under section 4 (execution of declaration) of the 1981 Act as applied by article 12 (application of the 1981 Act).

(2) The powers conferred by article 14 (temporary use of land for construction of works) cease at the end of the period referred to in paragraph (1), except that nothing in this paragraph prevents Network Rail remaining in possession of land after the end of that period, if the land was entered and possession of it was taken before the end of that period.

(a) Section 272 was amended by paragraph 103(1) and (2) of Schedule 17 to the Communications Act 2003 (c. 21).

PART 4
MISCELLANEOUS AND GENERAL

Planning permission

19. Planning permission which is deemed by a direction under section 90(2A)(a) (development with government authorisation) of the 1990 Act to be granted in relation to the authorised works is to be treated as specific planning permission for the purposes of section 264(3)(a) (cases in which land is to be treated as operational land for the purposes of that Act) of that Act.

Power to transfer undertaking

20.—(1) Network Rail may, with the consent of the Secretary of State—

- (a) transfer to another person (“the transferee”) its right to construct, maintain, use or operate the authorised works (or any part of them) and such related statutory rights as may be agreed between Network Rail and the transferee; or
- (b) grant to another person (“the lessee”) for a period agreed between Network Rail and the lessee the right to construct, maintain, use or operate the authorised works (or any part of them) and such related statutory rights as may be so agreed.

(2) Where an agreement has been made by virtue of paragraph (1), references in this Order to Network Rail include references to the transferee or the lessee.

(3) The exercise of the powers conferred by any enactment in pursuance to any transfer or grant under paragraph (1), is subject to the same restrictions, liabilities and obligations as would apply under this Order if those powers were exercised by Network Rail.

Application of landlord and tenant law

21.—(1) This article applies to—

- (a) any agreement for leasing to any person the whole or any part of the authorised works or the right to operate the same; and
- (b) any agreement entered into by Network Rail with any person for the construction, maintenance, use or operation of the authorised works, or any part of them,

so far as any such agreement relates to the terms on which any land which is the subject of a lease granted by or under that agreement is to be provided for that person’s use.

(2) No enactment or rule of law regulating the rights and obligations of landlords and tenants affects the operation of any agreement to which this article applies.

(3) No such enactment or rule of law applies in relation to the rights and obligations of the parties to any lease granted by or under any such agreement so as to—

- (a) exclude or in any respect modify any of the rights and obligations of those parties under the terms of the lease, whether with respect to the termination of the tenancy or any other matter;
- (b) confer or impose on any such party any right or obligation arising out of or connected with anything done or omitted to be done on or in relation to land which is the subject of the lease, in addition to any such right or obligation provided for by the terms of the lease; or
- (c) restrict the enforcement (whether by action for damages or otherwise) by any party to the lease of any obligation of any other party under the lease.

22.—(1) Where proceedings are brought under section 82(1) (summary proceedings by person aggrieved by statutory nuisances) of the Environmental Protection Act 1990(a) in relation to a nuisance falling within paragraph (g) of section 79(1)(b) (noise emitted from premises so as to be prejudicial to health or a nuisance) of that Act, no order is to be made, and no fine may be imposed, under section 82(2) of that Act if the defendant shows—

- (a) that the nuisance relates to premises used by Network Rail for the purposes of or in connection with the exercise of the powers conferred by this Order with respect to authorised works and that the nuisance is attributable to the carrying out of authorised works which are being carried out in accordance with a notice served under section 60 (control of noise on construction sites) or a consent given under section 61(c) (prior consent for work on construction sites) of the Control of Pollution Act 1974(d); or
- (b) that the nuisance is a consequence of the operation of the authorised works and that it cannot reasonably be avoided.

(2) Section 61(9) (consent for work on construction site to include statement that it does not of itself constitute a defence to proceedings under section 82 of the Environmental Protection Act 1990) of the Control of Pollution Act 1974 does not apply where the consent relates to the use of premises by Network Rail for the purposes of or in connection with the exercise of the powers conferred by this Order with respect to works.

(3) The provisions of this article do not affect the application to the authorised works of section 122 (statutory authority as a defence to actions in nuisance, etc.) of the Railways Act 1993(e) or any rule of common law having similar effect.

Obstruction of construction of authorised works

23. Any person who, without reasonable excuse—

APPARATUS AND RIGHTS OF STATUTORY UNDERTAKERS ETC. IN STOPPED UP HIGHWAYS

1.—(1) On the stopping up of any level crossing or highway under article 5 (level crossings and highways to be stopped up) any statutory utility whose apparatus is under, in, upon, along or across that level crossing or highway has the same powers and rights in respect of that apparatus, subject to the provisions of this Schedule, as if this Order had not been made.

(2) On the stopping up of any level crossing or highway under article 5 any statutory utility whose apparatus is under, in, upon, over, along or across that level crossing or highway may, and if reasonably requested to do so by Network Rail must—

- (a) remove the apparatus and place it or other apparatus provided in substitution for it in such other position as the utility may reasonably determine and have power to place it; or
- (b) provide other apparatus in substitution for the existing apparatus and place it in that other position.

(3) Subject to the following provisions of this Schedule, Network Rail must pay to any statutory utility an amount equal to the cost reasonably incurred by the utility in or in connection with—

- (a) the execution of the relocation works required in consequence of the stopping up of the level crossing or highway concerned; and
- (b) the doing of any other work or thing rendered necessary by the execution of the relocation works.

(4) If in the course of the execution of relocation works under sub-paragraph (2)—

- (a) apparatus of a better type, of greater capacity or of greater dimensions is placed in substitution for existing apparatus; or
- (b) apparatus (whether existing apparatus or apparatus substituted for existing apparatus) is placed at a depth greater than the depth at which the existing apparatus was,

and the placing of apparatus of that type or capacity or of those dimensions or the placing of apparatus at that depth, as the case may be, is not agreed by Network Rail, or, in default of agreement, is not determined by arbitration to be necessary, then, if it involves cost in the execution of the relocation works exceeding that which would have been involved if the apparatus placed had been of the existing type, capacity or dimensions, or at the existing depth, as the case may be, the amount which apart from this paragraph would be payable to the statutory utility by virtue of sub-paragraph (3) is to be reduced by the amount of that excess.

(5) For the purposes of sub-paragraph (4)—

- (a) an extension of apparatus to a length greater than the length of existing apparatus is not to be treated as a placing of apparatus of greater dimensions than those of the existing apparatus; and
- (b) where the provision of a joint in a cable is agreed, or is determined to be necessary, the consequential provision of a jointing chamber or of a manhole is to be treated as if it also had been agreed or had been so determined.

(6) An amount which, apart from this sub-paragraph, would be payable to a statutory utility in respect of works by virtue of sub-paragraph (3) (and having regard, where relevant, to sub-paragraph (4)) must, if the works include the placing of apparatus provided in substitution for apparatus placed more than 7 years and 6 months earlier so as to confer on the utility any financial benefit by deferment of the time for renewal of the apparatus in the ordinary course, be reduced by the amount which represents that benefit.

(7) Sub-paragraphs (3) to (6) do not apply where the authorised works constitute major transport works for the purposes of Part 3 of the 1991 Act, but instead—

- (a) the allowable costs of the relocation works are to be determined in accordance with section 85 (sharing of cost of necessary measures) of that Act and any regulations for the time being having effect under that section; and

Compensation enactments

1. The enactments for the time being in force with respect to compensation for the compulsory purchase of land apply with the necessary modifications as respects compensation in the case of a compulsory acquisition under this Order of a right by the creation of a new right as they apply as respects compensation on the compulsory purchase of land and interests in land.

2.—(1) Without limitation on the scope of paragraph 1, the 1961 Act has effect subject to the modifications set out in sub-paragraphs (2).

(2) For section 5A(5A) (relevant valuation date) of the 1961 Act substitute—

“(5A) If—

- (a) the acquiring authority enters on land for the purposes of exercising a right in pursuance of a notice of entry under section 11(1) of the 1965 Act (as modified by paragraph 5(5) of Schedule 8 to the Network Rail (Felixstowe Branch Line Improvements – Level Crossings Closure) Order 2018 (“the 2018 Order”)),
- (b) the acquiring authority is subsequently required by a determination under paragraph 12 of Schedule 2A to the 1965 Act (as substituted by paragraph 5(8) of Schedule 8 to the 2018 Order) to acquire an interest in the land, and
- (c) the acquiring authority enters on and takes possession of that land,

the authority is deemed for the purposes of subsection (3)(a) to have entered on that land when it entered on that land for the purpose of exercising that right.”.

3.—(1) Without limitation on the scope of paragraph 1, the Land Compensation Act 1973^(a) has effect subject to the modifications set out in sub-paragraph (2).

(2) In section 44(1) (compensation for injurious affection), as it applies to compensation for injurious affection under section 7 (measure of compensation in case of severance) of the 1965 Act as substituted by paragraph 5(3)—

- (a) for the words “land is acquired or taken” substitute “a right over land is purchased”; and
- (b) for the words “acquired or taken from him” substitute “over which the right is exercisable”.

Application of Part 1 of the 1965 Act

4. Part 1 of the 1965 Act, as applied by article 11 (application of Part 1 of the 1965 Act) to the acquisition of land under article 10(1) (power to acquire land) applies to a compulsory acquisition of rights under article 13 (power to acquire new rights)—

- (a) with the modifications specified in paragraph 5; and
- (b) with such other modifications as may be necessary.

5.—(1) The modifications referred to in paragraph 4(a) are as follows.

(2) References in the 1965 Act to land are, in appropriate contexts, to be read (according to the requirements of the particular context) as referring to, or as including references to—

In assessing the compensation to be paid by the acquiring authority under this Act, regard shall be had, not only to the extent (if any) to which the value of the land over which the right is acquired is depreciated by the acquisition of the right, but also to the damage (if any) to be sustained by the owner of the land by reason of its severance from other land of the owner, or injuriously affecting that other land by the exercise of the powers conferred by this or the special Act.”

(4) The following provisions of the 1965 Act (which state the effect of a deed poll executed in various circumstances where there is no conveyance by persons with interests in the land), that is to say—

- (a) section 9(4) (failure of owners to convey);

- (c) paragraph 2(3) of Schedule 2 (absent and untraced owners); and
- (d) paragraphs 2(3) and 7(2) of Schedule 4 (common land),

(6) Section 20(e) (protection for interests of tenants at will, etc) of the 1965 Act applies with the modifications necessary to secure that persons with such interests in land as are mentioned in that section are compensated in a manner corresponding to that in which they would be compensated on a compulsory acquisition under this Order of the land, but taking into account only the extent (if any) of such interference with such interests as is actually caused, or likely to be caused, by the exercise of the right in question.

(7) Section 22 (interests omitted from purchase) of the 1965 Act (as modified by article 11(7)) is modified so as to enable the acquiring authority, in circumstances corresponding to those referred to in that section, to continue to be entitled to exercise the right acquired, subject to compliance with that section as respects compensation.
