## The Environment, Food and Rural Affairs (Miscellaneous Amendments and Revocations) Regulations 2018

Made - - - - 20th August 2018  
 Laid before Parliament 23rd August 2018  
 Coming into force in accordance with regulation 1(2)

The Secretary of State makes these Regulations in exercise of the powers conferred by—

- (a) section 2(2) of the European Communities Act 1972 (“the 1972 Act”)(1);
- (b) so far as relating to regulations 14, 19, 20(2)(c), 23(3)(b), 39(a) and 54(2), paragraph 1A of Schedule 2 to the 1972 Act(2);
- (c) so far as relating to regulation 35, sections 33A and 219(2)(f) of the Water Resources Act 1991(3).

The Secretary of State is a Minister designated for the purposes of section 2(2) of the 1972 Act in relation to—

- (a) batteries and accumulators(4);
- (b) the common agricultural policy(5);
- (c) the environment(6);
- (d) materials providing or intended to provide nutrients for plants(7);
- (e) measures in the veterinary and phytosanitary fields for the protection of public health(8);
- (f) measures relating to biocides(9);
- (g) measures relating to Community plant variety rights(10);

- 
- (1) 1972 c. 68; section 2(2) was amended by the Legislative and Regulatory Reform Act 2006 (c. 51), section 27(1)(a) and the European Union (Amendment) Act 2008 (c. 7), the Schedule, Part 1. It is prospectively repealed by the European Union (Withdrawal) Act 2018 (c. 16), section 1 from exit day (see section 20 of that Act). The function of the former Minister of Agriculture, Fisheries and Food of making regulations under section 2(2) was transferred to the Secretary of State by S.I. 2002/794. Under section 57(1) of the Scotland Act 1998 (c. 46), despite the transfer to Scottish Ministers of functions in relation to implementing obligations under EU law in relation to devolved matters, the Secretary of State retains power to exercise such functions as regards Scotland. Under paragraph 5 of Schedule 3 to the Government of Wales Act 2006 (c. 32), despite the transfer to the Welsh Ministers of functions in relation to implementing obligations under EU law in relation to devolved matters, the Secretary of State retains power to exercise such functions as regards Wales.
  - (2) Paragraph 1A of Schedule 2 was inserted by the Legislative and Regulatory Reform Act 2006, section 28 and was amended by the European Union (Amendment) Act 2008, the Schedule, Part 1 and S.I. 2007/1388. It is prospectively repealed by the European Union (Withdrawal) Act 2018, section 1 from exit day (see section 20 of that Act).
  - (3) 1991 c. 57; section 33A was inserted by the Water Act 2003 (c. 37), section 9. See section 221(1) for the definition of “the Ministers”.
  - (4) S.I. 2007/3471.
  - (5) S.I. 1972/1811, to which there are amendments not relevant to these Regulations. The designation in relation to the common agricultural policy extends to the common fisheries policy: under Article 38(1) of the Treaty on the Functioning of the European Union, the EU’s common agricultural policy includes its common fisheries policy (OJ No L 133, 29.5.2015, p 1).
  - (6) S.I. 2008/301.
  - (7) S.I. 2001/3919, to which there is an amendment not relevant to these Regulations.
  - (8) S.I. 1999/2027.
  - (9) S.I. 1999/2788, to which there are amendments not relevant to these Regulations.
  - (10) S.I. 1995/751, to which there is an amendment not relevant to these Regulations.

- (h) measures relating to food (including drink) including the primary production of food(11);
- (i) measures relating to the description of, and other requirements relating to, spirit drinks(12);
- (j) measures relating to the prevention, reduction and elimination of pollution caused by waste(13);
- (k) measures relating to the recovery of payment of amounts, not being customs duties or refunds of such duties, payable on the import or export of agricultural products or goods resulting from the processing of agricultural products, including conditions attached to and relief allowed in respect of such payments(14);
- (l) the prevention and recovery of waste electrical and electronic equipment(15);
- (m) the prevention of waste from vehicles and forms of recovery of end of life vehicles and their components(16);
- (n) the restriction of the use of hazardous substances in electrical and electronic equipment(17).

These Regulations make provision for a purpose mentioned in section 2(2) of the 1972 Act and it appears to the Secretary of State that it is expedient for references to the following EU instruments to be construed as references to those instruments as amended from time to time—

- (a) Regulation (EC) No 1272/2008 of the European Parliament and of the Council on classification, labelling and packaging of substances and mixtures(18);
- (b) Regulation (EU) No 251/2014 of the European Parliament and of the Council on the definition, description, presentation, labelling and the protection of geographical indications of aromatised wine products(19);
- (c) Commission Delegated Regulation (EU) 2017/670 supplementing Regulation (EU) No 251/2014 of the European Parliament and of the Council as regards the authorised production processes for obtaining aromatised wine products(20);
- (d) Commission Regulation (EU) No 1190/2012 concerning a Union target for the reduction of *Salmonella* Enteritidis and *Salmonella* Typhimurium in flocks of turkeys, as provided for in Regulation (EC) No 2160/2003 of the European Parliament and of the Council(21).

There has been consultation, as required by Article 9 of Regulation (EC) No 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety(22), during the preparation and evaluation of these Regulations so far as they relate to food.

## PART 1

### Introduction

#### Citation, commencement, extent and application

1.—(1) These Regulations may be cited as the Environment, Food and Rural Affairs (Miscellaneous Amendments and Revocations) Regulations 2018.

(2) They come into force on 17th September 2018 except for the following regulations which come into force on 10th November 2018—

- (a) regulation 5(b);
- (b) regulation 7(2);
- (c) regulation 18;
- (d) regulation 20(2)(d);
- (e) regulations 33(b)(i) and 34(a).

(3) Subject to paragraphs (4) to (6), a provision that amends an enactment has the same extent and application as the enactment, or provision or part of the enactment, that it amends.

(4) Regulation 3 does not extend to Scotland.

(5) Regulation 10 does not apply insofar as the Welsh Ministers may make similar provision by virtue of section 58B of the Government of Wales Act 2006, read with sections 107 and 108A of, and paragraph 171 of Part 2 of Schedule 7A to, that Act(23).

(6) The following regulations do not apply in relation to Wales—

- (a) regulation 19;
- (b) regulation 30;
- (c) regulation 32;
- (d) regulation 35;
- (e) regulation 44.

---

(23) 2006 c. 32; section 58B was inserted by the Wales Act 2017 (c. 4), section 20(1). It is prospectively repealed by the European Union (Withdrawal) Act 2018, Schedule 3, paragraphs 27 and 34 from a date to be appointed. Section 107 was amended by the Wales Act 2017, section 2. Section 108A was substituted, for section 108 as originally enacted, by the Wales Act 2017, section 3(1), and is prospectively amended by the European Union (Withdrawal) Act 2018, section 12(3) from a date to be appointed. Schedule 7A was substituted, together with Schedule 7B, for Schedule 7 as originally enacted, by the Wales Act 2017, Schedule 1. Section 58B allows the Welsh Ministers to make secondary legislation using powers in section 2(2) of the European Communities Act 1972 as if they were a Minister of the Crown or government department designated by Order in Council under that provision, provided such legislation would otherwise be within the legislative competence of the National Assembly for Wales. Sections 107 and 108A of the Government of Wales Act 2006, together with paragraph 171 of Part 2 of Schedule 7A to that Act, allow the National Assembly for Wales to make laws in relation to public access to information held by the Assembly, the Assembly Commission, the Welsh Government or any Welsh Public Authority, unless supplied by a Minister of the Crown or government department and held in confidence. “Welsh Public Authority” has the meaning given by section 83 of the Freedom of Information Act 2000 (c. 36), but does not include a reserved authority within the meaning of paragraph 8 of Schedule 7B to the Government of Wales Act 2006.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations make amendments to a number of pieces of legislation within the remit of the Department for Environment, Food and Rural Affairs.

Several provisions (regulations [2](#), [3](#), [6](#), [9\(2\)\(b\)](#), [11\(2\)\(b\)](#), [12](#), [17](#), [21](#), [23\(2\)\(a\)](#) and [25](#) to [28](#)) reflect an amendment to Annex 3 to [Directive 2008/98/EC](#) of the European Parliament and of the Council on waste (OJ No L 312, 22.11.2008, p 3).

Regulations [5\(b\)](#), [7\(2\)](#), [18](#), [20\(2\)\(d\)](#), [33\(b\)\(i\)](#) and [34\(a\)](#) amend references to Regulation (EC) No [1107/2009](#) of the European Parliament and of the Council concerning the placing of plant protection products on the market (OJ No L 309, 24.11.2009, p 1) in pesticides and water legislation, to come into force in November 2018. This is to reflect the amendment of that Regulation by Commission Regulation (EU) 2018/605 amending Annex 2 to Regulation (EC) No [1107/2009](#) by setting out scientific criteria for the determination of endocrine disrupting properties (OJ No L 101, 20.4.2018, p 33).

Regulation [8](#) makes a number of amendments to the Environmental Impact Assessment (Forestry) (England and Wales) Regulations 1999 ([S.I. 1999/2228](#)). Regulation 3 and Schedule 2 are amended to remove ambiguity as to when a forestry project of a certain size and type is to be treated as not likely to have a significant effect on the environment. Regulations 3B and 6 are amended to provide for projects that are grant funded by either the Forestry Commission or the National Forest Company to be treated as exceptional cases for the purposes of regulation 5.

Regulation [10](#) amends regulation 18(6) of the Environmental Information Regulations 2004 ([S.I. 2004/3391](#)) to end the application of section 53 of the Freedom of Information Act 2000 ([c. 32](#)) (exception from duty to comply with decision notice or enforcement notice) to those Regulations. This follows the ruling of the Supreme Court in *R (on the application of Evans) and another v Attorney General* [2015] UKSC 21 that the issuing of any certificate under regulation 18(6) in respect of environmental information is incompatible with Article 6 of [Directive 2003/4/EC](#) of the European Parliament and of the Council on public access to environmental information (OJ No L 41, 14.2.2003, p 26).

Regulation [24](#) amends an incorrect reference to [Directive 2008/98/EC](#) of the European Parliament and of the Council on waste.

Regulation [37](#) amends the definition of “Blended Malt Scotch Whisky” in the Scotch Whisky Regulations 2009 ([S.I. 2009/2890](#)). The amendments to the Scotch Whisky technical file, which sets out the amended definition, have been notified in draft to the European Commission in accordance with Regulation (EC) [110/2008](#) of the European Parliament and of the Council on the definition, description, presentation, labelling and the protection of geographical indications of spirit drinks (OJ No L 39, 13.2.2008, p 16). The amendments to the technical file are made at the time of submission to the Commission. The Commission has a 12 month period following submission to carry out scrutiny of the amendments and confirm that the amended technical file continues to comply with Regulation (EC) [110/2008](#).

Regulation [38](#) amends the Beef and Veal Labelling Regulations 2010 ([S.I. 2010/983](#)) to reflect provisions in Regulation (EU) No 653/2014 of the European Parliament and of the Council amending Regulation (EC) No [1760/2000](#) as regards electronic identification of bovine animals and labelling of beef (OJ No L 189, 27.6.2014, p 33).

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Regulation 55 makes a minor correction to the Transmissible Spongiform Encephalopathies (England) Regulations 2018 (S.I. 2018/731).

Finally, the Regulations make other miscellaneous minor amendments to legislation in the fields of agriculture, animal health, environmental protection, fertilisers, food, forestry, marine management, pesticides, plant breeders' rights, sea fisheries, waste and water, in particular amending out of date references to domestic legislation and to EU instruments.

An impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.
