(2) In the case of the Order land specified in column (1) of Schedule 5 (land in which new rights etc. may be acquired) the undertaker's powers of compulsory acquisition are limited to the acquisition of such wayleaves, easements, new rights in the land or the imposition of restrictive covenants as may be required for the purpose specified in relation to that land in column (2) of that Schedule and relating to that part of the authorised development specified in column (3) of that Schedule.

(3) The power under paragraph (1) to acquire the rights and to impose the restrictive covenants described in Schedule 5 for the benefit of statutory undertakers or for the benefit of any other person—

- (a) does not preclude the acquisition of such other rights and the imposition of such other restrictive covenants in respect of the same land in accordance with Schedule 5 as may be required for the benefit of any other statutory undertaker or any other person; and
- (b) must not be exercised by the undertaker in a way that precludes the acquisition of such other rights and the imposition of such other restrictive covenants in respect of the same land in accordance with Schedule 5 as are required for the benefit of any other statutory undertaker or any other person.

(4) Subject to section 8(2) (other provisions as to divided land) of, and Schedule 2A(3) (counter-notice requiring purchase of land not in notice to treat) to the 1965 Act (as substituted by paragraph 5(8) of Schedule 6 (modification of compensation and compulsory purchase enactments for creation of new rights)), where the undertaker acquires a right over land or the benefit of a restrictive covenant, affecting land under paragraph (1), the undertaker is not required to acquire a greater interest in that land.

(5) Schedule 6 has effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right or the imposition of a restrictive covenant.

(11) Where the undertaker takes possession of land under this article, the undertaker is not required to acquire the land or any interest in it.

(12) Section 13 (refusal to give possession to acquiring authority) of the 1965 Act applies to the temporary use of land under to this article to the same extent as it applies to the compulsory acquisition of land under this Order by virtue of section 125 (application of compulsory acquisition provisions) of the 2008 Act.

(13) In this article “the maintenance period”, in relation to any part of the authorised development, means the period of 5 years beginning with the date on which that part of the authorised development is first opened for use.

### **Statutory undertakers**

**42.—**(1) Subject to the provisions of article 30(2) (compulsory acquisition of rights and imposition of restrictive covenants), Schedule 11 (protective provisions) and paragraph (2), the undertaker may—

- (a) acquire compulsorily, or acquire new rights or impose restrictive covenants over, any Order land belonging to statutory undertakers; and

- (b) extinguish the rights of, or remove or reposition the apparatus belonging to, statutory undertakers over or within the Order land.
- (2) Paragraph (1)(b) has no effect in relation to apparatus in respect of which the following provisions apply—
  - (a) Part 3 (street works in England and Wales) of the 1991 Act; and
  - (b) article 43(2) (apparatus and rights of statutory undertakers in stopped up streets).

### **Apparatus and rights of statutory undertakers in stopped up streets**

**43.**—(1) Where a street is stopped up under article 19 (permanent stopping up and restriction of use of streets and private means of access), any statutory utility whose apparatus is under, in, on, along or across the street has the same powers and rights in respect of that apparatus, subject to the provisions of this article, as if this Order had not been made.

(2) Where a street is stopped up under article 19 (permanent stopping up and restriction of use of streets and private means of access) any statutory utility whose apparatus is under, in, on, over, along or across the street may, and if reasonably requested to do so by the undertaker must—

- (a) remove the apparatus and place it or other apparatus provided in substitution for it in such other position as the statutory utility may reasonably determine and have power to place it; or
  - (b) provide other apparatus in substitution for the existing apparatus and place it in such position as described in sub-paragraph (a).
- (3) Subject to the following provisions of this article, the undertaker must pay to any statutory utility an amount equal to the cost reasonably incurred by the statutory utility in or in connection with—
- (a) the execution of the relocation works required in consequence of the stopping up of the street; and
  - (b) the doing of any other work or thing rendered necessary by the execution of the relocation works.
- (4) If in the course of the execution of relocation works under paragraph (2)—
- (a) apparatus of a better type, of greater capacity or of greater dimensions is placed in substitution for existing apparatus; or
  - (b) apparatus (whether existing apparatus or apparatus substituted for existing apparatus) is placed at a depth greater than the depth at which the existing apparatus was,

and the placing of apparatus of that type or capacity or of those dimensions or the placing of apparatus at that depth, as the case may be, is not agreed by the undertaker, or, in default of agreement, is not determined by arbitration to be necessary, then, if it involves cost in the execution of the relocation works exceeding that which would have been involved if the apparatus placed had been of the existing type, capacity or dimensions, or at the existing depth, as the case may be, the amount which, apart from this paragraph, would be payable to the statutory utility by virtue of paragraph (3) is to be reduced by the amount of that excess.

- (5) For the purposes of paragraph (4)—
- (a) an extension of apparatus to a length greater than the length of existing apparatus is not to be treated as a placing of apparatus of greater dimensions than those of the existing apparatus; and
  - (b) where the provision of a joint in a cable is agreed, or is determined to be necessary, the consequential provision of a jointing chamber or of a manhole is to be treated as if it also had been agreed or had been so determined.

(6) An amount which, apart from this paragraph, would be payable to a statutory utility in respect of works by virtue of paragraph (3) (and having regard, where relevant, to paragraph (4)) must, if the works include the placing of apparatus provided in substitution for apparatus placed more than 7 years and 6 months earlier so as to confer on the statutory utility any financial benefit by deferment of the time for renewal of the apparatus in the ordinary course, be reduced by the amount which represents that benefit.

(7) Paragraphs (3) to (6) do not apply where the authorised development constitutes major highway works, major bridge works or major transport works for the purposes of Part 3 of the 1991 Act, but instead—

- (a) the allowable costs of the relocation works are to be determined in accordance with section 85 (sharing of cost of necessary measures) of that Act and any regulations for the time being having effect under that section; and
- (b) the allowable costs are to be borne by the undertaker and the statutory utility in such proportions as may be prescribed by any such regulations.

(8) In this article—

“apparatus” has the same meaning as in Part 3 of the 1991 Act;

“relocation works” means work executed, or apparatus provided, under paragraph (2); and

“statutory utility” means a statutory undertaker for the purposes of the 1980 Act or a public communications provider as defined in section 151(1) (interpretation of Chapter 1) of the Communications Act 2003(23).

### **Recovery of costs of new connections**

**44.**—(1) Where any apparatus of a public utility undertaker or of a public communications provider is removed under article 42 (statutory undertakers) any person who is the owner or occupier of premises to which a supply was given from that apparatus is entitled to recover from the undertaker compensation in respect of expenditure reasonably incurred by that person, in consequence of the removal, for the purpose of effecting a connection between the premises and any other apparatus from which a supply is given.

(2) Paragraph (1) does not apply in the case of the removal of a public sewer but where such a sewer is removed under article 41 (temporary use of land for maintaining the authorised development), any person who is—

- (a) the owner or occupier of premises the drains of which communicated with that sewer; or
- (b) the owner of a private sewer which communicated with that sewer,

is entitled to recover from the undertaker compensation in respect of expenditure reasonably incurred by that person, in consequence of the removal, for the purpose of making the drain or sewer belonging to that person communicate with any other public sewer or with a private sewerage disposal plant.

(3) This article does not have effect in relation to apparatus to which article 43 (apparatus and rights of statutory undertakers in stopped up streets) or Part 3 of the 1991 Act applies.

(4) In this paragraph—

“public communications provider” has the same meaning as in section 151(1) (interpretation of Chapter 1) of the Communications Act 2003; and

“public utility undertaker” means a gas, water, electricity or sewerage undertaker.

### **Special category land**

**45.—(1)** On the exercise by the undertaker of the relevant Order powers, the special category land identified in Part 1 of Schedule 8 is not to vest in the undertaker, and the undertaker may not acquire any rights over the special category (rights) land identified in Part 2 of Schedule 8 until the undertaker has acquired the replacement land identified in Part 4 of Schedule 8 and the Secretary of State (in consultation with the relevant planning authority) has certified that a scheme for the provision of the replacement land as open space and a timetable for the implementation of the scheme has been received from the undertaker.

(2) On the requirements of paragraph (1) being satisfied, the special category land identified in Part 1 of Schedule 8 is to vest in the undertaker and be discharged from all rights, trusts and incidents to which it was previously subject.

(3) On the requirements of paragraph (1) being satisfied, the undertaker may acquire the rights over the special category (rights) land identified in Part 2 of Schedule 8 and the said land is to be discharged from all rights, trusts and incidents to which it was previously subject so far as their continuance would be inconsistent with the said rights that are to be acquired.

(4) On the date on which the replacement land is laid out and provided in accordance with the requirements mentioned in paragraph (1), the replacement land is to vest in the persons in whom the special category land was vested immediately before it was vested in the undertaker and is to be subject to the same rights, trusts and incidents as attached to the special category land.

(5) In this article “the relevant Order powers” means the powers exercisable over the special category land by the undertaker under article 27 (compulsory acquisition of land) or article 30 (compulsory acquisition of rights and imposition of restrictive covenants).
