EXPLANATORY NOTE

(This note does not form part of the Regulations.)

These Regulations amend the Dairy Products (Hygiene) (Charges) Regulations 1995, as amended, (“the 1995 Regulations”) in relation to Wales.

Charges are payable by producers of milk from registered holdings under the 1995 Regulations in respect of dairy farm visits carried out for the purpose of ascertaining whether the provisions of the Dairy Products (Hygiene) Regulations 1995 (S.I. [1995/1086](#), as amended by [S.I. 1995/1763](#), [1996/1499](#), [1996/1699](#), [1997/1729](#), [1998/2424](#) and [2000/656](#)) are being met. These Regulations remove liability to such charges, except in respect of visits for the purpose of taking samples of drinking milk which is raw cows' milk for analysis and examination to check compliance with provisions in those Regulations relating to microbiological criteria. The charge in that case remains at £63 (regulations 2 to 5).

A regulatory appraisal pursuant to section 65 of the Government of Wales Act 1998 has been prepared. Copies may be obtained from the Food Standards Agency - Wales, 1st Floor, Southgate House, Wood Street, Cardiff, CF10 1EN.
