

SCHEDULE 4

The Poultry Health Scheme

PART IV

RE-INSPECTION FEE

1. The re-inspection fee provided for under paragraph 8, Part I of this Schedule must be composed of—

- (a) a charge for the veterinary inspector's time spent at the operator's establishment carrying out the re-inspection, the rate for which charge is £45 per hour or part thereof; and
- (b) a charge for mileage, that is, for each mile travelled by the veterinary inspector to and from the operator's establishment in order to carry out the re-inspection, the rate for which charge is 33 pence per mile.

2. The National Assembly may, using such criteria as it considers appropriate in all the circumstances, reduce the charge for mileage under paragraph 1(b) in respect of any particular re-inspection in order to avoid an over-recovery of mileage costs incurred for a journey in the course of which other official activity is undertaken in addition to that re-inspection.
