**ANIMALS, WALES**

ANIMAL HEALTH, WALES

The Avian Influenza and Influenza of Avian  
Origin in Mammals (Wales) Order 2006

*Made* - - - - - *5 July 2006*

*Coming into force* *6 July 2006*

THE AVIAN INFLUENZA AND INFLUENZA OF  
AVIAN ORIGIN IN MAMMALS (WALES) ORDER 2006

PART 1

Introduction

1. Title, application and commencement
2. Interpretation
3. Scope of the Act and of this Order
4. Declarations, licences, notices and designations under this Order
5. Controlled zones

PART 2

Preventive measures

6. Measures to reduce the risk of transmission of avian influenza
7. Surveillance for avian influenza

PART 3

Measures on suspicion of avian influenza

8. Disapplication of measures to regulated places
9. Notification procedures and precautions to be taken where avian influenza is suspected
10. Notice of restrictions where avian influenza is suspected on premises
11. Derogations from restrictions applicable at suspect premises
12. Veterinary inquiries and sampling

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

13. Measures to minimise the risk of the spread of avian influenza from suspect premises
14. Restrictions where avian influenza is suspected in transit
15. Measures in a temporary movement restriction zone
16. Additional restrictions at suspect premises
17. Declaration of a temporary control zone around the suspect premises

#### PART 4

##### Measures on confirmation of highly pathogenic avian influenza at premises other than regulated places

18. Disapplication of measures to regulated places
19. Restrictions on confirmation of highly pathogenic avian influenza
20. Killing of birds on premises
21. Movement of birds off premises for killing
22. Measures on special category premises
23. Tracing of meat and eggs from infected premises
24. Measures when meat and eggs have been traced
25. Veterinary inquiry at infected premises
26. Identification of contact premises
27. Restrictions at contact premises
28. Declaration of protection, surveillance and restricted zones
29. Size of zones
30. Measures in protection zones
31. Measures in surveillance zones
32. Restrictions on trade in things from areas where measures have been disappplied
33. Alternative measures where avian influenza is confirmed at a hatchery or in other captive birds on special category premises
34. Measures in restricted zones
35. Additional measures in protection, surveillance and restricted zones
36. Ending of protection, surveillance and restricted zones

#### PART 5

##### Measures on suspicion or confirmation of highly pathogenic avian influenza in regulated places and vehicles

37. Veterinary measures at slaughterhouses
38. Veterinary measures where avian influenza is suspected or confirmed in vehicles
39. Killing of birds in slaughterhouses where disease is suspected or confirmed
40. Poultry meat and by-products in slaughterhouses where disease is suspected or confirmed
41. Measures at border inspection posts
42. Measures if avian influenza is suspected or confirmed in a vehicle
43. Cleansing and disinfection of regulated places and vehicles
44. Reintroduction of poultry and other captive birds
45. Measures at other premises

## PART 6

### Measures on confirmation of low pathogenic avian influenza

46. Measures when low pathogenic avian influenza is confirmed
47. Killing of poultry and other captive birds
48. Movement of eggs from premises where low pathogenic avian influenza is confirmed
49. Veterinary surveillance of poultry
50. Measures on special category premises
51. Veterinary surveillance of birds
52. Tracing of poultry and eggs
53. Identification of contact premises
54. Restrictions at contact premises
55. Declaration of a low pathogenic avian influenza restricted zone
56. Size of zones
57. Measures in low pathogenic avian influenza restricted zones

## PART 7

### Measures to reduce the risk of the spread of influenza viruses of avian origin to other species

58. Tests on animals at premises where avian influenza is confirmed
59. Killing of mammals
60. Movements off the premises
61. Measures at other premises
62. Additional measures to control the spread of virus in mammals

## PART 8

### General measures on suspicion or confirmation of avian influenza

63. Treatment, labelling and movement of meat from poultry from a protection zone
64. Poultry moved to premises outside controlled zones other than for slaughter
65. Movements to egg processing plants
66. Cleansing, disinfection and treatment
67. Restocking
68. Surveillance at restocked commercial poultry premises
69. Additional measures at restocked commercial poultry premises
70. Measures at other restocked premises
71. Designation of premises to which things may be moved
72. Duty to provide reasonable assistance
73. Provision of information
74. Records of movements authorised by general licence
75. Retention and production of records
76. Duty to comply with declarations, licences and notices
77. Costs of compliance
78. Killing of birds and destruction of things which may be contaminated
79. Duty of the local authority to erect signs

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

## PART 9

### Inspection, enforcement, offences, amendments and revocations

80. Redirection of mammals, birds and eggs in transit
  81. Veterinary investigations
  82. Inspection of vehicles
  83. General powers of inspectors
  84. Powers of inspectors in case of default
  85. Offences by bodies corporate
  86. Ignorance of restriction or requirement
  87. Enforcement
  88. Revocations and amendments
- Signature

- 
- SCHEDULE 1 Measures where avian influenza or avian influenza virus is suspected on premises
1. Record of poultry, other captive birds and mammals
  2. Housing or isolation of poultry and other captive birds
  3. Prohibition on movement of poultry and other captive birds to and from the premises
  4. Prohibition on the removal of other things liable to transmit avian influenza
  5. Prohibition on movement of people, animals and vehicles to and from the premises
  6. Restrictions on the movement of eggs
  7. Any person moving eggs under paragraph 6(a) must ensure that—...
  8. No person is to tamper with a seal attached under...
  9. Disinfection at entrances and exits
- SCHEDULE 2 Measures on premises where highly pathogenic avian influenza is confirmed
1. Killing and seizure
  2. Measures to minimise the risk of spread of avian influenza to wild birds
  3. Disposal of carcasses and eggs
  4. Tracing
  5. Cleansing and disinfection
  6. Restocking
- SCHEDULE 3 Cleansing and disinfection of premises other than regulated places and of any thing (including any vehicle) on those premises
- Part 1 — General procedures for cleansing, disinfection and treatment
1. Any person carrying out cleansing, disinfection and treatment (including measures...
  2. Any person using a disinfectant or degreasing agent under this...
  3. A person cleansing and disinfecting under this Order must ensure...
  4. A person washing with liquids applied under pressure must avoid...
  5. A person who has cleansed and disinfected part of any...
  6. A person carrying out a cleansing or disinfecting procedure must...
  7. A person who makes such a record must keep it...
- Part 2 — Specific procedures for the cleansing and disinfecting of infected premises

8. This Part applies to the cleansing and disinfecting of infected...
  9. Preliminary cleansing and disinfecting
  10. A person carrying out a cleansing or disinfection procedure must...
  11. Following killing— (a) carcasses must be sprayed with disinfectant;
  12. Final cleansing and disinfecting
  13. All surfaces must be subjected to the following procedures—  
Part 3 — Disinfection of contaminated litter, manure and slurry
  14. Manure and used bedding must— (a) be steam treated at...
  15. Slurry must be stored for at least 60 days after...
  16. Manure, litter and bedding which may be contaminated may, if...
  17. The transport of such manure, litter or bedding must be...
- SCHEDULE
- 4
  1. Record keeping and duty to inform the National Assembly of birds' change in health
  2. The occupier of any premises must make a record of...
  3. Every person who is engaged in the transport or marketing...
  4. The records referred to in paragraphs 2 and 3 above...
  5. Paragraphs 1 and 3 do not apply to—
  6. Isolation of poultry and other captive birds
  7. If birds are kept isolated but not housed, the occupier...
  8. Restrictions on the movement of poultry, other captive birds and mammals onto and off premises
  9. Disposal of carcasses
  10. Biosecurity measures
  11. Litter, poultry manure and slurry
  12. Gatherings of poultry
  13. Release of game
  14. Restrictions on the movement of birds, eggs, poultry meat and carcasses
  15. Poultry and eggs may be transported through the zone on...
  16. The movements referred to in paragraph 14(a) are the following—...
  17. Requirements for the movement of poultry from premises in the zone for immediate slaughter at a slaughterhouse
  18. Requirements for the movement of poultry meat from poultry sent to a designated slaughterhouse from premises within the zone
  19. Requirements for the movement of poultry to a designated slaughterhouse within the zone from premises outside the zone
  20. Requirements for the movement of day-old chicks hatched from eggs produced in the zone or from eggs which had contact with such eggs
  21. Requirements for the movement of day-old chicks hatched from eggs originating outside the zone
  22. Requirements for the movement of ready-to-lay poultry
  23. Requirements for the movement of hatching eggs from the zone to a designated hatchery or a designated laboratory or institute for use for scientific, diagnostic or pharmaceutical purposes
  24. Requirements for the movement of table eggs to a packing centre
  25. Requirements at slaughterhouses
  26. Requirements for poultry meat
  27. Poultry meat from poultry originating outside the zone is subject...
  28. Cleansing and disinfection of vehicles
  29. A person who enters or leaves premises by vehicle must...

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

30. Access to prohibited places  
 SCHEDULE Measures in Surveillance Zones
