

## SCHEDULE 2

### COMPENSATION FOR RIGHTS OF ENTRY ETC

#### **Period for making an application**

**2.** An application for compensation must be made within the period beginning with the date of the grant of the rights in respect of which compensation is claimed and ending on the expiry of whichever is the latest of the following periods—

- (a) twelve months after the date of the grant of those rights;
- (b) where an appeal is made against a remediation notice in respect of which the rights in question have been granted, and the notice is of no effect by virtue of regulation 12, twelve months after the date of the final determination or abandonment of the appeal; or
- (c) six months after the date on which the rights were first exercised.
