(4) Where the dispute relates to an agreement which is not an NHS contract, the Assembly may determine the matter itself or, if it considers it appropriate, appoint a person or persons to consider and determine it⁽¹⁵⁾.

PART 8

MID-YEAR REVIEW OF ACTIVITY UNDER AGREEMENTS

Mid-year reviews

58.—(1) This paragraph and paragraph 59 apply where services are to be provided under the agreement from 1 April in any financial year.

(2) In this paragraph and paragraph 59, references to requirements to provide units of dental activity or units of orthodontic activity are to such requirements under the terms of the agreement giving effect to regulation 13 (units of dental activity) or 14 (units of orthodontic activity).

(3) The Relevant Body will, by 31 October in each financial year, determine the number of—

- (a) units of dental activity; or
- (b) units of orthodontic activity,

that the contractor has provided between 1 April and 30 September of that financial year based on the data provided to it by virtue of paragraph 39.

(4) Where the Relevant Body determines under sub-paragraph (3) that the contractor has, between 1 April and 30 September, provided less than 30 per cent of the total number of—

- (a) units of dental activity; or
- (b) units of orthodontic activity,

that it is required to provide in that financial year, sub-paragraph (5) will apply.

(5) Where this sub-paragraph applies, the Relevant Body may—

- (a) notify the contractor that it is concerned about the level of activity provided under the agreement in the first half of the financial year, setting out—
 - (i) the number of units of dental activity or units of orthodontic activity (as the case may be) that it has determined that the contractor has provided; and
 - (ii) the percentage of the total number of units of dental activity or units of orthodontic activity (as the case may be) required to be provided during the financial year that the number in sub-paragraph (i) represents; and
- (b) require in that notification that the contractor participate in a mid-year review of its performance in relation to the agreement with the Relevant Body.

(6) Where a mid-year review is required by the Relevant Body pursuant to sub-paragraph (5), the Relevant Body and the contractor will discuss at that review—

Changes to legislation: There are currently no known outstanding effects for the The National Health Service (Personal Dental Services Agreements) (Wales) Regulations 2006, SCHEDULE 3. (See end of Document for details)

- (a) any written evidence the contractor puts forward to demonstrate that it has performed a greater number of units of dental activity or units of orthodontic activity during the first half of the financial year than those notified to it pursuant to sub-paragraph (5)(a)(i); and
 - (b) any reasons that the contractor puts forward for the level of activity in the first half of the financial year.
- (7) The Relevant Body will prepare a draft record of the mid-year review for comment by the contractor and, having regard to such comments, will produce a final written record of the review.
- (8) A copy of the final record of the mid-year review will be sent to the contractor.

Commencement Information

I56 Sch. 3 para. 58 in force at 1.3.2006, see [reg. 1\(1\)](#)

Action the Relevant Body can take following a mid-year review

59.—(1) Where, following the mid-year review and the provision of the final record of that review to the contractor, the Relevant Body, having taken account of any evidence or reasons put forward by the contractor at that review, nevertheless has serious concerns that the contractor is unlikely to provide the number of—

- (a) units of dental activity; or
- (b) units of orthodontic activity,

that it is required to provide by the end of the financial year, the Relevant Body will be entitled to take either or both of the steps specified in paragraph (2).

(2) The Relevant Body may—

- (a) require the contractor to comply with a written plan drawn up by the Relevant Body to ensure that the level of activity during the remainder of the financial year is such that the contractor will provide the number of units of dental activity or units of orthodontic activity it is required to provide; or
- (b) withhold monies payable under the agreement.

(3) The maximum amount that may be withheld pursuant to sub-paragraph (2)(b) is—

- (a) the amount that is payable under the agreement in respect of the number of units of dental activity or units of orthodontic activity required to be provided in a financial year, less
- (b) the amount that would be payable under the agreement as a relevant proportion of that amount if the contractor provided in the whole of the financial year only twice the number of units of dental activity or orthodontic activity that provided between 1 April and 30 September.

(4) Nothing in this paragraph will prevent the Relevant Body and the contractor agreeing to vary the contract in accordance with paragraph 61 to adjust—

- (a) the level of activity to be provided under the agreement; or
- (b) the monies to be paid by the Relevant Body to the contractor under the agreement.

(5) Where the Relevant Body withholds monies pursuant to paragraph (2), it will ensure that it pays the withheld monies to the contractor as soon as possible following the end of the financial year where the contractor has—

- (a) provided the number of units of dental activity or units of orthodontic activity required to be provided; or

- (b) failed to provide that number of units of dental activity or units of orthodontic activity, but that failure amounts to 5 per cent or less of the total number of units of dental activity or units of orthodontic activity that ought to have been provided during that financial year (and therefore regulation 15 applies).

(2) In addition to the specific provision made in paragraph 73, the Relevant Body may vary the agreement without the contractor's consent where it—

- (a) is reasonably satisfied that it is necessary to vary the agreement so as to comply with the Act, any regulations made pursuant to that Act, or any direction given by the Assembly pursuant to that Act; and
- (b) notifies the contractor in writing of the wording of the proposed variation and the date upon which that variation is to take effect,

and, where it is reasonably practicable to do so, the date that the proposed variation is to take effect will be not less than 14 days after the date on which the notice under paragraph (b) is served on the contractor.

Variation of an agreement: activity under the agreement

61.—(1) Where the contractor or the Relevant Body is of the opinion that there needs to be a variation to the number of—

- (a) units of dental activity; or
- (b) units of orthodontic activity,

to be provided under the agreement, sub-paragraphs (2) and (3) will apply.

(2) The contractor or the Relevant Body will notify the other party to the agreement in writing of its opinion of the need for a variation, specifying in that notice the variation that it considers necessary, together with its reasons.

(3) Following service of the notice referred to in sub-paragraph (2), both parties will use their best endeavours to communicate and co-operate with each other with a view to determining what (if any) variation should be made to the number of—

- (a) units of dental activity; or
- (b) units of orthodontic activity,

Termination by the Relevant Body: patient safety and material financial loss

70. The Relevant Body may serve notice in writing on the contractor terminating the agreement forthwith or with effect from such date as may be specified in the notice if—

- (a) the contractor has breached the agreement and as a result of that breach, the safety of the contractor’s patients is at serious risk if the agreement is not terminated; or
- (b) the contractor’s financial situation is such that the Relevant Body considers that the Relevant Body is at risk of material financial loss.

Commencement Information

I68 Sch. 3 para. 70 in force at 1.3.2006, see **reg. 1(1)**

Termination by the Relevant Body: remedial notices and breach notices

71.—(1) Where a contractor has breached the agreement other than as specified in paragraphs 68 to 70 and the breach is capable of remedy, the Relevant Body will, before taking any action it is otherwise entitled to take by virtue of the agreement, serve a notice on the contractor requiring it to remedy the breach (“remedial notice”).

(2) A remedial notice will specify—

- (a) details of the breach;
- (b) the steps the contractor must take to the satisfaction of the Relevant Body in order to remedy the breach; and
- (c) the period during which the steps must be taken (“the notice period”).

(3) The notice period will, unless the Relevant Body is satisfied that a shorter period is necessary to—

- (a) protect the safety of the contractor’s patients; or
- (b) protect itself from material financial loss,

be no less than twenty eight days from the date that notice is given.

(4) Where a Relevant Body is satisfied that the contractor has not taken the required steps to remedy the breach by the end of the notice period, the Relevant Body may terminate the agreement with effect from such date as the Relevant Body may specify in a further notice to the contractor.

(5) Where a contractor has breached the agreement other than as specified in paragraphs 68 to 70 and the breach is not capable of remedy, the Relevant Body may serve notice on the contractor requiring the contractor not to repeat the breach (“breach notice”).

(6) If, following a breach notice or a remedial notice, the contractor—

- (a) repeats the breach that was the subject of the breach notice or the remedial notice; or
- (b) otherwise breaches the agreement resulting in either a remedial notice or a further breach notice,

the Relevant Body may serve notice on the contractor terminating the agreement with effect from such date as may be specified in that notice.

(7) The Relevant Body will not exercise its right to terminate the agreement under subparagraph (6) unless it is satisfied that the cumulative effect of the breaches is such that the Relevant Body considers that to allow the agreement to continue would be prejudicial to the efficiency of the services to be provided under the agreement.

(8) If the contractor is in breach of any obligation and a breach notice or a remedial notice in respect of that default has been given to the contractor, the Relevant Body may withhold or deduct monies which would otherwise be payable under the agreement in respect of that obligation which is the subject of the default.

- (a) the Relevant Body will be entitled to give notice to the contractor requiring that the qualifying body ceases carrying on that business before the end of a period of not less than twenty eight days beginning on the day on which the notice is given (“the notice period”); and
- (b) if the contractor has not satisfied the Relevant Body that the qualifying body has ceased carrying on that business by the end of the notice period, the Relevant Body may, by a further written notice, terminate the agreement forthwith or from such date as may be specified in the notice.

(2) Where the contractor is a qualifying body and on or after the coming into force for all purposes of article 39 of the Dentists Act Order during the existence of the agreement—
