(2) For the purposes of these Regulations, proposals for the establishment of a school have been fully implemented when the number of pupils admitted to the school in each age group has, in the opinion of the local authority, reached–

(2) A local authority may determine a school's budget share for a funding period so as to take into account any other change during the course of the preceding funding period in the data by reference to which the school's budget share for that preceding funding period was determined, if those changes were not taken into account in a redetermination of the school's budget share for that preceding funding period.

(3) A local authority may adjust the number of registered pupils used to determine a school's budget share for a funding period where it is appropriate to do so in order to take into account, wholly or partly—

Pupils excluded or admitted following an exclusion

22.—(1) Where a pupil is permanently excluded from a school maintained by a local authority during a funding period, the authority must redetermine the school's budget share for that funding period in accordance with paragraph (2).

(2) The school's budget share is to be reduced by the amount A x (B/52) where—

A is the amount, in the funding period in which the permanent exclusion takes effect, determined by the authority in accordance with these Regulations to be attributable for the full funding period to a registered pupil of the same age and characteristics as the pupil in question at primary or secondary schools maintained by the authority;

For the purposes of this definition the amount attributable to a registered pupil is the sum of the amounts determined in accordance with the authority's formula or regulation 25 by reference to pupil numbers rather than by reference to the number of places at the school or any other factor or criterion not dependent on pupil numbers; and

(3) Where a pupil who has been permanently excluded from a maintained school is, in the same funding period, admitted to a school maintained by the local authority ("the admitting school"), the authority must redetermine the admitting school's budget share in accordance with paragraph (4).

(4) The school's budget share is to be increased by an amount which may not be less than the amount D x (E/F) where—

E is the number of complete weeks remaining in the funding period during which the pupil is a registered pupil at the admitting school;
