- (a) the mineral planning authority has adopted a screening opinion; or
- (b) the Welsh Ministers have made a screening direction to the effect that the ROMP development in question is not EIA development;

- (b) where the relevant mineral planning authority is not the authority required to keep the register, the relevant mineral planning authority must provide the authority required to keep it with such information and documents as that authority requires to comply with section 69 of the 1990 Act as applied by sub-paragraph (i), with regulation 23 as applied by regulation 52, and with paragraph 7(4) of this Schedule.
